

MEET THE COMPANY

→ Online edition

Fincons Group is an award-winning IT business consultancy with more than 38 years of experience in IT Business Consulting and System Integration. The Group provides a broad range of services and solutions in strategy, consulting, digital, technology and operations to different industries including: Financial Services, Media, Energy & Utilities, Transportation, Manufacturing, Public Administration and International Institutions. High quality and competitiveness are further guaranteed by the Smart-shore IT Service strategy made available through the Delivery Center in Bari and other operative hubs (Italy), which provides advanced application management and system building services along the entire digital supply chain. With over 1700 employees, Fincons Group has offices in Italy, Switzerland, Germany, France, in the UK and in the US.
