Who are we?

Genius Sports is the official data, technology and commercial partner that powers the global ecosystem connecting sports, betting and media.

Our mission is to champion a more sustainable sports data network via the means of rich, official live data.

For that we need a team of enthusiastic Statisticians to be available to attend live games and collect the match data.

What do you need to know?

Love ice hockey? Want to attend **Rittner Buam SkyAlps & S.G. Cortina Hafro** games live and get paid for it Italy? Using **smartphone enabled software** developed for a mobile interface, you will be tasked with reporting back the live events of every hit, shot and save.

Who is this for?

This is a great opportunity for a sports enthusiast, in particular students or post-graduates, who wants to earn some **extra money**
