Specific educational objectives	<p>The course is designed to acquire specific language skills at an advanced level (beyond B2). The course focuses on some of the various styles of language used in the academic and professional fields of economics and politics, and aims to improve students' receptive, but above all productive skills. The course is also designed to provide a solid linguistic basis for students' other courses taught in English on their degree programme.</p> <p>Specific educational objectives include the following:</p> <ul style="list-style-type: none"> • to improve written skills through practice of coherent academic discourse to produce economic and other subject-specific texts; • to improve spoken interaction and production through the practice and production of academically acceptable presentations; • to improve receptive skills through the exposure to and analysis of various types of written and spoken discourse;
--	---

	<ul style="list-style-type: none"> to develop grammatical and lexical range and accuracy so that communication is fluent and spontaneous.
