Courses Taught

In German: * Introduction to Business Administration (since 2015) * Current Issues of Innovation Management (2016-2017) * Career Planning and Entrepreneurship * Consulting Training * Current Issues in Management * Human Resource Management (1996-2014) * International Management * Ergonomics and Work Studies * General Management for Non-Business Administration Students * Management Methods and Tools * Innovation Management and Entrepreneurship * Management and Organization (1998-2014) * Organizational Behavior and Leadership (1997-2014) * Strategic Management (1998-2014)

In English: * Advanced Strategic Management (since 2019) * Business Consulting Lab (since 2021; since 2022 in collaboration with Baruch College, NYC) * Management of Multinationals (2015-2018) * Introduction to Management (2015) * Human Resource Management and Organizational Behavior (2000-2014) * People Management (2034-24) * International Business at Singapore Management University (winter term 2011) * various PhD courses (since 2015)

Major Funded and Non-funded Research Projects and Interests

- * UniBz funded projects:
 - a. Loyalty of Nonfamily Employees in Family Firms (2015 - 2018)
 - b. Management approaches in the field of Mitigation of Climate Change (in collaboration with GWU; 2016 - 2018)
 - c. Improving the Management of internationalization of small and medium-sized enterprises (SMEs) - Blind spot of research despite great relevance for the economy! (2017 - 2020)
 - d. International Strategic Alliances Life-time Patterns (2020 - 2023)
 - e. Search for Market Applications of Thin-film Electronics: Assessing technological, economic, social, and ecological success factors (Expected start date: 01/12/2020 - 01/12/2023)
- * The Management of Growth and De-Growth. Towards a Sustainable Future of Business Firms (in collaboration with TU Berlin, Prof. zu Knyphausen-Aufseß)
- * Cross-national comparison of universalism-particularism, of trust, and of self-serving biases (in collaboration with Rutgers, CEIBS, FIU, Vanderbilt), and employee retention (e.g. loyalty, commitment)

- * International Joint Venture (e.g., success factors; persistence and biases; exit and internalization) and other Market Entry Modes especially with regard to emerging economies such as China or Russia
- * Corporate Portfolio Management and corporate restructuring, e.g. global comparison (in collaboration with research partners from The Boston Consulting Group)
- * International attitudes and affective rationality regarding alternative energy sources, e.g. international comparison Germany, China, Russia, Turkey and longitudinal analyses (ante-post Fukushima) and more generally technology assessment and public acceptance.
- * Technology, Innovation & Change Management (e.g. organizing efficient research collaborations –triple helix; business plans; innovative leadership style; time-to-market concepts; management consulting / client resistance)
- * Additional key subjects: Corporate Governance, hidden impacts of agency theory; application of real option theory; status and status symbols; solution businesses; efficiency of I & C technologies

Successfully completed –major– third-party funded projects:

Implementing a **Career Center** at the Technische Universität Bergakademie Freiberg (08/2009– 07/12)

Establishing an R&D Collaboration Network and Professional School at the **German Centre for**

Energy Resources (Research in the field of technologies for the post oil era – 01/2010 – 12/2014)

Economic, ecological, and social evaluation of costs-benefit ratios of various research projects conducted under the German Federal Ministry of Education and Research-funded program: **“Sustainable economy and resources – scarce metals”** (07/2012 – 06/2015)

Assessment- and Development Center for Future Leaders; Three-day AC/DC-seminar for PhD Students from various disciplines focusing on management and leadership competences ‘after’ graduation (2011 - 2015)

Industry ‘Affiliation’

Various contacts to corporations and SMEs, especially telecom, logistic, automotive, environmental engineering, materials, resource and energy sector.

Team assignments as part of the IB-course (SMU - 2011) for example have been focusing on market entry studies of German firms into the Singaporean and/or South-East Asian markets.

Team assignments as part of MMNE-course (UniBz – 2017 and 2018) dealt with Internationalization processes of SMEs located in South Tyrol.

Team assignments as part of the Ms course ‘Advanced Strategic Management’ (UniBz –2019/20) dealt with digitalization strategies of firms and organizations located in South Tyrol.

Collaboration with local and foreign firms on various management and internationalization issues in the course of the lecture "Business Consulting Lab" (UniBz – since 2020; ANMIC/LAPIC, Delcon srl, Endian srl, Gronbach GmbH, Manteco srl, Rego srl, Schachermayer GmbH; Salewa slr, Zuber GmbH)
