Curriculum vitae

PERSONAL INFORMATION

Paolo Girardi

WORK EXPERIENCE

February 2025 – Present

Associate Professor in Statistics (STAT-01/A)

Department of Environmental Sciences, Informatics and Statistics, Ca' Foscari University of Venice, Italy.

Teaching statistics and applied statistics. Research areas: functional data analysis, classification techniques, environmental epidemiology.

Business or sector   Higher Education and Research

February 2022 – January 2025

Assistant Professor (RTD-b) in Statistics (SECS-S/01)

Same department as above.

Lecturer in statistics and applied statistics.

Business or sector   Higher Education and Research

September 2019 – January 2022

Research Fellow (RTD-a) in Psychometrics (M-PSI/03)

Department of Developmental and Social Psychology, University of Padua, Italy.

Lecturer in psychometrics and applied statistics.

Business or sector   Higher Education and Research

August 2015 – September 2019

Statistician collaborator

Azienda Zero, Regione Veneto, Via Jacopo Avanzo, 35, 35132 Padua, Italy.

Data analysis, report production, scientific production.

Business or sector   Public Health

October 2013 – August 2015

Post-doctoral fellowship in Applied Statistics

University Ca' Foscari - Venice, Department of Environmental, Informatics and Statistics, Via Torino 155, 30172 Mestre-Venice, Italy.

Involved in the fellowship 'New results of the analysis of time series of ecological and environmental data" with application. Functional data analysis, Satellite data analysis, Statistical data classification.

Business or sector   Research and education

May 2012 – October 2013

Statistician consultant

Veneto Region, Department of Statistics Dorsoduro, 3494/A, 30123 Venice, Italy.

Involved in the European Project 'STAR". Data analysis and support services.

Business or sector   Public Administration

April 2012 – August 2015

Statistician consultant

Venetian Mesothelioma Registry, Occupational Health Unit, Local Health Authority of Padua, Via Ospedale 22, 35128 Padua, Italy.

Data analysis, report production, scientific production.

Business or sector   Public Health

January 2012 – April 2012

Post-doctoral fellowship

University of Verona, Department of Medicine, Strada le Grazie, 8, 37134 Verona, Italy.

Data analysis, report production, scientific production, health population study.

Business or sector   Education and Research

EDUCATION AND TRAINING

2009–2012   PhD in Biosciences

Thesis   "Statistical and epidemiological methods for studying the short-medium term association of industrial pollution on children's health." Supervisor: Prof. Roberto de Marco.

University of Verona, Department of Medicine, Italy.

2005–2007   Master of Science in Statistics and Informatics

Thesis   "A likelihood-based study for pairwise binary dependent data." Supervisor: Prof. Laura Ventura.

University of Padua, Department of Statistics, Italy.

Final mark   101/110

2002–2005   Bachelor's Degree in Statistics and Information Technologies

Thesis   "Statistical analysis of library offerings at Italian universities." Supervisor: Prof. Laura Ventura.

University of Padua, Department of Statistics, Italy.

Final mark   110/110 cum laude

Current Teaching (aa 2024/2025)   .Data analysis for tourism data, Department of Environmental Sciences, Informatics and Statistics, Ca' Foscari University, Venice, Italy (30 hours); Statistics, Department of Management, Ca' Foscari University, Venice, Italy (30 hours); Statistics for language sciences, Department Linguistics and Comparative Cultural Studies, Ca' Foscari University, Venice, Italy (30 hours). Data Analysis with Statistical programming, Department of Environmental Sciences, Informatics and Statistics, Ca' Foscari University, Venice, Italy (30 hours);

Invited presentations
— ASA Conference. Girardi Paolo, Vesely, Anna, Gambarotta, Filippo, Altoè Gianmarco, Pastore, Massimiliano, Finos, Livio. (2024). Exploring the Dark Side of the Multiverse: Pitfalls and Possibilities in Applications. 16-18 September 2024, Rome, Italy.
— Statistical methods and models for complex data 800 years of research to understand a complex world. Discussant at the presentation "COVID-19: data, modeling, and communication" of Alessandro Vespignani, September 21-23, 2022. Department of Statistical Sciences, Padua, Italy.
— Parola Agli Statistici. Affrontare il COVID-19 con dati e competenze. December 22, 2020. Department of Statistical Sciences, Padua, Italy.
— StatisticAll 2020. Girardi Paolo. Dai dati ai modelli statistici: analisi dell'epidemia di COVID-19 in Italia, September 19, 2020. Treviso, Italy.
— SIS 2019 Conference. Girardi Paolo, Gaetan C. Robust model-based functional clustering of satellite data. June 19-21, 2019. Milan, Italy.
— Annual lecture as external expertise for the course of Medical Statistics. Italy. La professione del Biostatistico. Padua, Italy 2015-2018 and 2020, Department of Statistical Sciences; University of Padua, Padua, Italy.
— GRASPA 2015 Conference. Girardi Paolo. Spatial dependence in model-based functional clustering procedures. June 15-16, 2015. Bari, Italy.

Chair at Conference and Congress Organization
— AIE 2022 Conference. Chair at occupational epidemiology section. Padova, Italy 29 June - 1 July 2022.
— Deputy organizer with the Prof. Finos of Winter School 2021 "MRInference" at the Department of Developmental Psychology and Socialisation 15-19 February 2021, Padua, Italy.
— Special section "La misurazione in psicologia" with Pasquale Anselmi, Antonio Calcagnì, Andrea Spoto e Michele Vicovaro - AIP Sperimentale 2020. 2-4 September 2020.
— TIES-GRASPA 2017 Conference. Chair at epidemiological section. Bergamo, Italy 24-26 July 2017.

Editorial Activites	– Reviewer for the following journals: Statistics in Medicine; International Journal of Environmental Research and Public Health; Journal of Clinical Medicine; Environmental Research; BMC Public Health; BMC Medical Research Methodology. – Member of the Editorial Board of BMC Data Notes and Italian Journal of Applied Statistics.
Other work activities	– 2022–Now: Member (Biostatistician) of the Ethics Committee for Clinical Trials – North-East Center. – 2023–2025: Lecture for the Master in Quantitative Psychology - Module of Medical Statistics. – 2023–2025: Lecture for the Master in Neurological physiotherapy - Module of Data Management. – 2023–2024: Collaborator (Statistician and Data Analyst) for the European Federation of Crohn's & Ulcerative Colitis Associations (EFCCA).

PERSONAL SKILLS

Mother tongue	Italian

Other languages

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
English				
C1	C1	C1	C1	C1
Feb 2025 - C1 - University Language Centre (CLA), Ca' Foscari University
