1968 Year of birth

1987-1993 Study of Industrial Engineering,
Technical University Berlin (TUB)

1993-1998 Research Assistant in Logistics,
Technical University Berlin (TU Berlin),
Department Logistics (Prof. Dr.-Ing. Baumgarten)

1999 PhD (Dr.-Ing.) summa cum laude,
"Customer orientation in logistics process chains"
(Supervisor: Prof. Dr.-Ing. H. Baumgarten)
Konrad-Mellerowicz-Award

1999-2002 Senior director, ZLU – Zentrum für Logistik und
Unternehmensplanung GmbH, Berlin - São Paulo

2003-2007 Partner and co-founder,
Visality Consulting GmbH, Berlin

2003-2008 Member of Research Board, German Logistics Association
(Bundesvereinigung Logistik – BVL)

since 2005 Lectureship of Logistics, University Dortmund

since 2005 Lectureship of Logistics, Hamburg School of Logistics

since 2008 Chair of Logistics, Faculty of Mechanical Engineering,
Otto-von-Guericke University Magdeburg

since 2009 Member of the Traffic Advisory Committee, Chamber of
Commerce and Industry (IHK), Magdeburg

2009-2011 Head of Research Group „Sustainable Production
Logistics“, German Logistics Association
(Bundesvereinigung Logistik – BVL)

since 2010 Member of the Logistics Advisory Board, Ministry of
Transport, Saxony-Anhalt

Education and Working experience

Curriculum Vitae

Prof. Dr.-Ing. Hartmut Zadek

**Head of the Department of Logistics,
Institute of Logistics and Material Handling Systems,
Faculty of Mechanical Engineering,
Otto-von-Guericke-University Magdeburg, Germany**

Hartmut Zadek was born on September 7th 1968 in Berlin, Germany. He is married and father of two daughters and a son.

After finishing his studies of industrial engineering at the Technical University Berlin he worked as a research assistant at the Institute of Technology and Management in the field of Logistics at the Technical University Berlin, led by Prof. Dr.-Ing. H. Baumgarten. In addition to usual teachings he conducted practice oriented research projects concerning logistics and business strategy questions. In 1999 he received his doctorate degree Dr.-Ing. (summa cum laude) at the Technical University Berlin. For his doctorate thesis „customer orientation in logistical process chains“, he was awarded with the Konrad-Mellerowicz-Award 1999.

In the time from 1999 to 2007 he coordinated the project management in the fields of business strategies, logistics and supply chain management. In 2002 he was granted Prokura and took over managerial functions in the management board. Hartmut Zadek is a co-founder of the Visality Consulting GmbH Berlin, Germany.

Hartmut Zadek was offered a chair at the Otto-von-Guericke-University and leads the Department of Logistics at the Institute of Logistics and Material Handling Systems since January 2008. Since April 2009 Hartmut Zadek is a Member of the Traffic Advisory Committee, Chamber of Commerce and Industry (IHK), Magdeburg. In June 2009 he started the Research Group „Sustainable Production Logistics“ in cooperation with the German Logistics Association (Bundesvereinigung Logistik – BVL). Since January 2010 Hartmut Zadek is a Member of the Logistics Advisory Board, Ministry of Transport, Saxony-Anhalt.

In addition Hartmut Zadek is associate lecturer at the University Dortmund. He is a member of the Association of German Industrial Engineers (Verband Deutscher Wirtschaftsingenieure - VWI), of the Association of German Engineers (VDI) and of the German Logistics Association (BVL).

He is editor of various reference books, author of numerous scientific publications, questioned speaker for expert conferences nationally and internationally, moderator of conventions und seminars as well as supervisor to strategy workshops.

During his professional career Hartmut Zadek accounted for projects in the sectors of automotive, aviation, electro technology, logistics, traffic and transportation services and machine and plant manufacturing. Reference corporations for conducted projects include such as Adolf Würth, Albert Mühlberg Apparatebau, Audi, BMW, DaimlerChrysler, Delton, Deutsche Lufthansa, DG Hyp, EAM, Eurolog, Fairchild Dornier, Festo, Fiege, Fraport (Flughafen Frankfurt/Main), FMG (Flughafen München), Flughafen Stuttgart, Garbe, Gildemeister, Haslach, Infineon, Invest-in-Germany, Karstadt, Klinikum Ansbach, Kühne & Nagel International, LGI Logistics Group International, Metro, Otto Pfannenbergl Elektro-Spezialgerätebau, Roche, Schenker, Siemens, Terminal2-Betriebsgesellschaft (Flughafen München), Triax/ Locton and several more.

Education and Experience

Education

- Technical University Berlin (TUB)
1987-1993 Study of Industrial Engineering
- 1999 PhD (Dr.-Ing.) summa cum laude,
“Customer orientation in logistics process chains”,
Konrad-Mellerowicz-Award

Work Experience

- Otto-von-Guericke University Magdeburg
Institute of Logistics and Material Handling Systems
since 2010 Head of the Department of Logistics
since 2008 Chair of Logistics, Faculty Mech. Engineering
- 2003-2007 Partner and co-founder,
Visality Consulting GmbH, Berlin
- 1999-2002 Senior director, ZLU – Zentrum für Logistik und
Unternehmensplanung GmbH, Berlin

Network Activities

- Member of the Logistics Advisory Board, Ministry of Transport,
Saxony-Anhalt, since 2010
- Member of the Traffic Advisory Committee, Chamber of
Commerce and Industry (IHK), Magdeburg, since 2009
- Head of Research Group „Sustainable Production Logistics“,
German Logistics Association (BVL), 2009-2011
