Publications about the applicant

None

Presentation in conference (last 3 years)

June 2019 – ARNA Conference in Montreal: Capitalism as a systematic structure of oppression: participatory action research in a community supported agriculture project.
November 2019 – SSE and the commons in Lisbon: Community supporting

local small-scale agriculture in a peripheral area: the case of a participatory action research in Italy

**Entrepreneurs
hip**

None

**Statement of
interest**

Social and solidarity economy within a rural context could enhance holistic sustainable development of communities. Participatory action research, with a transformative perspective, could support this transition from market values oriented socio-economic path to human-nature balance enabling human integral development, wellbeing, social justice and resiliency. The past and current experiences with participatory action research as well as the knowledge of social and solidarity economy makes the candidate perfectly fitting with this research line.

**Language
competence**

Italian: mother tongue
English: C1 (Unibz linguistic center certificate)
German: B1 (Unibz linguistic center certificate)

Date 31.05.2021

Signature

A handwritten signature in black ink, appearing to read 'Demontali'.
