activity connected with the AMIF - Asylum, Migration and Integration Fund - project FARm – Filiera dell'Agricoltura Responsabile) <https://www.project-farm.eu>).

- Activities: conduction and analysis of semi-structured interviews in the Saluzzo area – Piedmont region.

- Thematic areas: contemporary agrarian questions; globalization and ethnicization of the countryside; urban-rural linkages; multiactor and multisector territorial cooperation.

(2) Young farmers and multifunctional agriculture in the Italian Inner Areas: new ruralities and recentralization of the marginal countryside in Trentino Alto-Adige (Val di Cembra, Val di Fiemme, Val Badia, Valle Isarco, Val Venosta), Liguria (Valle Argentina, Alta Valle Arroscia), Sardinia (Barbagia-Mandrolisai, Ogliastra)

- Activities: selection and elaboration of indicators of multifunctionality at the farm level; semi-structured interview elaboration and conduction; coding and data analysis; development of ethnographic analysis of the back-to-land movement in Inner Areas.

- Thematic areas: new dynamics of ruralization and new populations in rural peripheral areas; back-to-the-land movement and resettlement in peripheral rural areas; transition to multifunctional agriculture; social construction of quality; nested markets; evolution of the peasant economies within global food empires; de-agrarianization and re-agrarianization in peripheralized rural territories; redefinition of urban-rural relations.

(2a) Participative SWOT analysis for supporting the development of the project “Seminare Comunità-Comunità Pioniere” in Valle Arroscia and Valle Argentina (Liguria) regarding the promotion of new forms of rural resettlement through collaborative housing initiatives and transition to multifunctional agriculture in inner rural areas (participatory action research developed in coordination with NEMO-Nuova Economia in Montagna, HumusJob, and HousingLab): elaboration and conduction of semi-structured interviews; organizations of focus groups.

<ul style="list-style-type: none"> Dates (from - to) Name and address of the employer Type of business or sector Occupation or position held 	<p>01/09/2021-01/12/2021</p> <p>Associazione Malik, Via Ubaldo da Paganello, 10, 09121, Cagliari, Italy.</p> <p>Cultural Association</p> <p>Researcher (Collaboration/ Contract work) – Action-Research Project: “Itaca” – pilot project for connecting skills and knowledge of emigrants (from Barbagia-Central Sardinia) residing in the main Italian and European cities, with home communities within a common participatory action for local development.</p>
<ul style="list-style-type: none"> Main activities and responsibilities 	<p>Survey elaboration and administration for mapping and individuating activable resources; focus groups organization and elaboration of a participative SWOT analysis with residents and emigrants (topics: Agriculture and Pastoralism; Food, Territory and Rural Tourism; Networks and Platforms for Territorial Tourism), data analysis and report elaboration.</p>
<ul style="list-style-type: none"> Dates (from – to) Name and address of the employer Type of business or sector Occupation or position held 	<p>09/07/2021-15/12/2021</p> <p>TERRAS-Lab for Local Development; 1, via Giovanni XXIII, 09070, Seneghe, Italy.</p> <p>Cultural Association</p> <p>Researcher (Collaboration/Contract work) – Action-Research Project: “<i>Montiferru -Alto Campidano-Planargia as a pilot area for sustainable tourism. Identification and implementation of best-practices for the development of the territory</i> (SECOND STAGE)”.</p>
<ul style="list-style-type: none"> Main activities and responsibilities 	<p>Elaboration of a promotional catalogue for the presentation and integration of existing experiential and active touristic rural routes in the area Montiferru-Alto Campidano-Planargia (Sardinian Island) on the basis of previous activities of territorial analysis, visual ethnography and descriptive/conventional ethnography, organization of a focus group with rural entrepreneurs.</p> <p>Focus groups organization and elaboration of a participative SWOT analysis (topic: Experiential-touristic itineraries for the involvement of rural inner areas).</p>

<ul style="list-style-type: none"> Dates (from - to) • Name and address of the employer • Occupation or position held • Main activities and responsibilities 	<p>01/04/2021-08/12/2021</p> <p>Province of Nuoro</p> <p>Rural planning consultant for the Province of Nuoro</p> <p>Researcher (Collaboration/Contract work) – Interreg IT-FR Maritime Project “CAMBIO VIA - CAMmini e BIOdiversità: Valorizzazione itinerari e Accessibilità per la Transumanza.</p> <p>Secondary data analysis for structuring the profile of the evolution of pastoralism in Sardinia and individuation of transhumance routes; survey elaboration for collecting information on shepherd’s mobility, conduction of semi-structured interviews and ethnographic study; support to the elaboration of a final report (co-authored by Benedetto Meloni) about “Pastoralism and transhumance routes for new perspectives of rural tourism in Sardinia” with main role in elaborating the sections regarding “pastoralism under the lens of contemporary agrarian studies between local changes and global dynamics” and “pastoralism in evolution from traditional model to the multifunctional one”.</p>
<ul style="list-style-type: none"> • Dates (from - to) • Name and address of the employer • Type of business or sector • Occupation or position held • Main activities and responsibilities 	<p>23/11/2020-31/12/2020</p> <p>Associazione Culturale NUR; 1, via dei Colombi, 09126, Cagliari, Italy.</p> <p>Cultural Association</p> <p>Researcher (Contract work) – Action-Research Project: Erasmus Plus KA3 “ARCO-Young Community Managers for the Activation of Rural Communities”.</p> <p>Elaboration of a SWOT analysis survey for researching territorial representation and activism of young people in five rural villages in Italy; survey administration and data analysis.</p>
<ul style="list-style-type: none"> • Dates (from - to) • Name and address of the employer • Type of business or sector • Occupation or position held • Main activities and responsibilities 	<p>05/10/2020-30/12/2020</p> <p>TERRAS -Lab for Local Development; 1, via Giovanni XXIII, 09070, Seneghe, Italy.</p> <p>Cultural Association</p> <p>Researcher (Contract work) – Action-Research Project: “<i>Montiferru -Alto Campidano-Planargia as a pilot area for sustainable tourism. Identification and implementation of best-practices for the development of the territory</i> (FIRST STAGE)”</p> <p>Territorial resource mapping; analysis of previous and ongoing territorial and regional projects related to rural tourism and multifunctional agriculture according to specific selected outputs; elaboration and conduction of semi-structured interviews with project managers and enterprises involved in the development and promotion of rural sustainable tourism; elaboration of territorial rural tourism profile.</p>

EDUCATION AND TRAINING

➤ November 2016 – October 2019

Agrisystem Doctoral School
Università Cattolica del Sacro Cuore, 84, Piacenza.

Dissertation title: Agro-export and Latin American agrarian changes: a sociological analysis of the evolution of the peasant economy under the commoditization of quinoa in the Bolivian Southern Highlands. Effects on land, labour and food security.
Scientific Area: Sociology of the Environment and Territory.

➤ January 2019 – November 2019

Visiting doctoral student, University of Lleida, (Spain).
Interdisciplinary Research Group on Development and Multiculturalism, Department of Social History.

Field of activity: development of a political-economic framework to interpret and describe the dynamics of land concentration and agricultural financialization in Latin America.

Supervisors: Prof. Jordi Gascón; Prof. Víctor Bretón Solo de Zaldívar.

➤ January 2018 – August 2018

Visiting doctoral student, University of Wageningen (The Netherlands). Rural Sociology Group, School of Social Science.

Field of activity: analysis and theoretical interpretation of the main pathways of rural-urban (and urban-rural) migration in the Andean region from the 1950s to the present days.

Supervisor: Jessica Duncan.

➤ November 2017 – December 2017

Trainee, Family Farming and Climate Change Research Group. Inter-American Institute for Agricultural Cooperation, La Paz (Bolivia).

Field of activity: (1) assessment of the food security household level of the quinoa producing communities in the Bolivian Southern Highlands using FAO and WFP quantitative and qualitative methodologies (i.e Food Consumption Score and Latin-American and Caribbean Experience-based Food Security Scale); (2) organization of focus groups and interviews within the participatory action research project “Recognition of Denomination of Origin to *Quinoa Real*” (IICA-Bolivia).

➤ September 2017

Summer School in Agricultural Economics and Agricultural Policy Evaluation, USMAV Bucharest.

Study area: qualitative and quantitative methods for agricultural policy evaluation.

➤ July 2015

Summer School “Sebastiano Brusco” in Local Development, Department of Social Science and Institutions, University of Cagliari.

Study area: “Entrepreneurship, Territoriality and Innovation”.

➤ September 2014 – December 2014

Trainee, Rete ONG.

Field of activity: junior project officer - agroecological projects for rural development in Central America and Andean Region.

➤ September 2013 – July 2015

Master’s Degree in Governance and Global System, University of Cagliari.

Thesis title: The re-emersion of the peasant model as a way to fight food insecurity. The Latin American agroecological perspective in a comparative analysis: “campesina” organization, participation and quality.

Supervisor: Benedetto Meloni.

Scientific Area: Sociology of Territory.

Final grade: 110/110 with honours.

➤ September 2013 – December 2013

Trainee, Red Tinku organization (Cochabamba, Bolivia).

➤ September 2010 – February 2014

Bachelor’s Degree in Political Science and International Relations, University of Cagliari.

Thesis title: Water crisis: from the international context to the Bolivian case. Cochabamba between the water war and the cooperation project “Yaku al sur”.

Scientific Area: Environmental Sociology.

Supervisor: Benedetto Meloni

Final grade: 107/110
