Career

Peter Schmid is professor for business administration, especially finance and entrepreneurship, at the FOM University of Applied Sciences since the academic year 2017/18. At its study center Munich, he is coordinator for the economics & management department since March 2021. Since 2014 he works free-lance, e.g. as contract lecturer at the Free University Bolzano-Bozen since the academic year 2020/21.

Previously (2014-2016), he was co-founder and CEO of a software firm specialized in collaboration platforms for professional services firms. Before (2012-2014), he was akademischer Rat at the Chair of Economic Theory of the Catholic University Eichstätt-Ingolstadt and worked part-time for a small boutique tax consultancy (2013-2014). From 2006-2011 he was teaching & research assistant at the Chair of Economic Theory. Before starting his doctoral research studies, he was junior consultant at a large international auditing firm (2004-2006).

Education

Peter Schmid started his academic career at the Catholic University Eichstätt-Ingolstadt in 1999 where he graduated as Diplom-Kaufmann in 2004. In between he spent one academic year (2002/03) at Boston College, Massachusetts.

He started his doctoral research studies at the Catholic University Eichstätt-Ingolstadt in spring 2006 which he finished in summer 2011 and graduated as Dr. rer. pol.
