

University Academic Curriculum Vitae

Personal information	Name Francesca Papagni Address: Faculty of Economics and Management, Free University of Bozen- Bolzano Piazza Università, 1, 39100, Bolzano, Italy Email: Francesca.Papagni@unibz.it
Education since leaving school	<ul style="list-style-type: none">• 2015: Bachelor degree in Statistical Sciences, University of Bologna and University of Glasgow (double degree)• 2017: Master degree in Statistical Sciences, University of Bologna• 2021: Ph.D. in Statistical Sciences, University of Bologna. Thesis subject: Nonparametric asymptotically efficient estimation of the generalized autocovariance function. Supervisor: Alessandra Luati.
Experience in academic teaching	<ul style="list-style-type: none">• Tutor of Time Series Analysis, undergraduate course in Statistical Sciences, Prof. A. Luati (February 2018 – May 2018, exercises in Time Series Analysis);• Tutor of Mathematics II, undergraduate course in Statistical Sciences, Prof. A. Brini (December 2018- January 2019, Exercises in Mathematics);• Tutor of Time Series Analysis, undergraduate course in Statistical Sciences, Prof. A. Luati (February 2019 – May 2019, exercises in Time Series Analysis).• Employer: Department of Statistics, University of Bologna;• Teaching assistant of Statistical Methods for Business analysis, Master in Entrepreneurship and Innovation (February 2021 – June 2021, exercises in R).• Employer: Faculty of Economics and Management, Free University of Bozen;
Present appointment	Research fellow at the Faculty of Economics and Management, Free University of Bozen
Research interests	Time series analysis, asymptotic inference, spectral analysis, Whittle likelihood.
Language competence	Italian: native English: C1.
