- Master of Science in Applied Economics, University of Innsbruck, 2015-2017
- Bachelor of Science in Economics, Ludwig-Maximilian University Munich, 2010-2015

Research Visits

- ESADE Ramon Llull University, Barcelona, 2020, Host: Pedro Rey-Biel
- Université Paris Nanterre, 2022, Host: Tarek Jaber-Lopez

Research

Peer Reviewed Journal Publications

- “In-group, out-group effects in distributional preferences: the case of gender”, Tarek Jaber-Lopez, Brent J. Davis and Alexandra Baier, *German Economic Review* 22.2, 2021
- “Long term effects of the Covid-19 pandemic on social concerns”, Esther Blanco, Alexandra Baier, Felix Holzmeister, Tarek Jaber-Lopez and Natalie Struwe, *Frontiers in Psychology* 4254, 2021
- “Substitution of social sustainability concerns under the Covid-19 pandemic”, Esther Blanco, Alexandra Baier, Felix Holzmeister, Tarek Jaber-Lopez and Natalie Struwe, *Ecological Economics* 107259, 2021
- “Ostracism and theft in heterogeneous groups: A laboratory experiment”, Alexandra Baier, Loukas Balafoutas and Tarek Jaber-Lopez, *Experimental Economics*, 2022

Working Papers

- “Gender, Competition and the Effect of Feedback and Task: An Experiment”, Alexandra Baier, Brent J. Davis, Tarek Jaber-Lopez and Michael Seidl, Hans-Böckler Foundation Working Paper 062, 2018

Work in progress

- “The Effect of Apologies on Reintegration after Social Exclusion” with Tarek Jaber-Lopez (*preparation of manuscript*)
- “Inclusion, Pro-social Preferences and Reciprocal Cooperation” with Natalie Struwe (*data collection*)
- “On the possibility of unarmed peace” with Sophia Seelos and Thomas Rittmannsberger (*early development*)

Academic Experience

Presentations

- Poster presentation “Gender, Competition and the Effect of Feedback and Task: An Experiment” on Gender Economics and the Workplace Conference, IAB & FAU Erlangen-Nuernberg, November 2018
- Online conference presentation “Ostracism and theft in heterogeneous groups: A laboratory experiment” on 13th Maastricht Behavioral and Experimental Economics Symposium, May 2021
- Online conference presentation “Ostracism and theft in heterogeneous groups: A laboratory experiment” on ESA 2021 Global Around-the-Clock Virtual Conference, July 2021
- Conference presentation “Gender, competition and the effect of feedback and task” on ESA North American Meeting, October 2021
- Conference presentation “Just saying sorry- The effect of apologies on reintegration after social exclusion” on Young Economists’ Meeting, May 2022

Teaching Experience

- Proseminar “Theory of Economic Decisions: Strategic Behavior”, Bachelor in Management and Economics, University of Innsbruck, Spring and Fall Semester 2018, Spring and Fall Semester 2019, Spring Semester 2020, Spring and Fall Semester 2021, Spring Semester 2022

Additional Activities

- Winter School “Credence Goods, Incentives and Behavior”, University of Innsbruck, 2018
- Summer School “Data Science and Computational Statistics with R”, Free University of Bozen-Bolzano, 2019
- Reviewing for *Frontiers in Psychology*, 2020
- Online Article “Is coronavirus distracting us from other pressing social concerns?” with Esther Blanco and Natalie Struwe, [Economics Observatory](#), 17.02.2021
- Co-organizing of the Experimental Economics Reading Group at the University of Innsbruck since Summer Semester 2021
- Online Summer School “The Behavioral Science of Diversity and Inclusion”, University of Warwick, 2022
- Participation at several outreaching activities for the Faculty of Economics and Statistics (Lange Nacht der Forschung 2018 & 2022, Fest der Wissenschaft, 2019; Aktionstag der Uni für Schüler, 2019)

Funding

- 7000€ Forschungsförderung Hans Böckler Stiftung, for the project “Gender, Competition and the Effect of Feedback and Task: An Experiment”, 2017
- 2500€ EPOS Young Scholar Research Funding, University Innsbruck, for the project “On the possibility of unarmed peace”, 2022
