Franziska Guggenbichler Beck specialized in training people to sing, speak and perform live or on screen. She gained experience working with cultural institutions, companies or institutions such as URANIA and EURAC research.

As an opera director she staged several contemporary operas for example at the Deutsche Oper Berlin, Biennale Musica Venice, Staatstheater Cottbus. She is passionate about developing formats that make classical music accessible to a wider audience. In 2019, she produced and directed the opera film AMALIA! Un'opera Western.
