### Editorial and reviewing activities

Reviewing activity for the following Journals: Journal of Applied Econometrics; Oxford Bulletin of Economics and Statistics; Journal of Money, Credit, and Banking; Journal of International Money and Finance; Journal of Macroeconomics; European Journal of Political Economy; Journal of Economic Behaviour and Organization; Economic Modelling; Economics Letters; Economic Systems, Journal of Economics and Business; Empirical Economics; Review of International Economics, Journal of Business Cycle Research; SN Business & Economics, International Review of Economics & Finance; Eastern European Economics; Social Science & Medicine; Policy Studies

### Responsibilities for organizing conferences & seminars

- Seminar Series.

Macro and Labor Seminar: Between 2021 and 2023 I was the organizer of the seminar series “Macro and Labor Seminar” at Aix-Marseille School of Economics.

- Conferences and workshops

Workshop 'Decision Making under Uncertainty': In May 2022, we organized the workshop 'Decision Making under Uncertainty' in Marseille. The aim of this workshop was to present and discuss economic studies related to uncertainty from May 19, 2022, to May 20, 2022. I was on the scientific and organizing committee.

2<sup>nd</sup> Workshop 'Decision Making under Uncertainty': In May 2023, we organized the second edition of the workshop 'Decision Making under Uncertainty' in Marseille. The aim of this workshop was to present and discuss economic studies related to uncertainty. It took place on May 24, 2023. I was on the scientific and organizing committee.

7th AMSE-BdF Workshop in Macroeconomics: In July 2023, we organized the 7th AMSE-BdF Workshop in Macroeconomics in Marseille. The aim of this workshop was to present and discuss studies in the field of macroeconomics. It took place on July 7, 2023. I was on the scientific and organizing committee.

Workshop: Educazione finanziaria e sostenibilità sociale: In November 2023, we organized the Workshop: Educazione finanziaria e sostenibilità sociale in Bolzano. The aim of the workshop was to explore how financial education can help reduce inequality and poverty, and support sustainable economic growth in the context of an aging population. It took place on November 20, 2023. I was on the scientific and organizing committee.

### Super-vision of PhD students

Postgraduate supervision (PhD level):

- PhD Tutor: Mirjam Gruber (Eurac Research) Nov 2019 – Aug 2021
- Second PhD Supervisor: Remo Gurtner (ETH Zurich) Oct 2023 – ongoing
