

## **Federico Boffa**

September 2025

**Current address:** Piazzetta dell'Università 1, 39031, Brunico

**Email address:** [fboffa@unibz.it](mailto:fboffa@unibz.it)

**Website:** <https://sites.google.com/site/federicoboffaunibz/home>

### **Current Position**

Full Professor in Applied Economics, Free University of Bolzano

### **Main affiliations**

- 2016 – to date: Full Professor in Applied Economics (SECS-P/06), Free University of Bolzano
- 2014 - 2016: Associate Professor in Applied Economics (SECS-P/06), Free University of Bolzano
- 2008 - 2014: Associate Professor in Applied Economics (SECS-P/06), University of Macerata
- 2005 - 2008: Assistant Professor in Economics (SECS-P/01), Free University of Bolzano

### **Other Affiliations**

- 2016 - now: Non-resident scholar, Collegio Carlo Alberto, Moncalieri.
- 2014 - now: Member, IRCRES-CNR (Research Institute on Sustainable Economic Growth – Consiglio Nazionale delle Ricerche), Torino
- 2011 - 2018: Associate Researcher, IEB (Institut d'Economia de Barcelona), Universitat de Barcelona
- 2011: Visiting Scholar, CREI, Barcelona
- 2011: Visiting Scholar, IEB (Institut d'Economia de Barcelona), Universitat de Barcelona
- 2010: Visiting Scholar, TILEC (Tilburg Law and Economics Center), Tilburg University
- 2008 - 09: Visiting scholar, American Institute for Economic Research (AIER), Great Barrington, Massachusetts (2 visits)
- 2008 – 2014: Associate Member of CERIS-CNR (Institute for Research on Industry and Development – Consiglio Nazionale delle Ricerche), Torino
- 2008 - 2010: Associate Member of CRELE (Center for Research in Law and Economics), Free University of Bolzano
- 2005: Visiting Professor, University of Auckland, New Zealand (July and August)

## Education

- June 2006: Ph. D. in Economics, Department of Economics, Northwestern University, Evanston, Illinois. Supervisor: John Panzar. Dissertation Committee: Ronald Braeutigam, James Dana, Andrew Sweeting. Title of Dissertation: “Essays on Optimal Capacity and Optimal Regulation of Interconnection Infrastructures”  
Ph.D. funded through the scholarship “Donato Menichella” awarded by the Bank of Italy, and the scholarship awarded by the “Mario Gasbarri Foundation for studies abroad”.
- July 2002: Master of Arts in Economics, Department of Economics Northwestern University, Evanston, Illinois.
- July 2001: B.A. in Economics, Università di Torino, 110/110 *magna cum laude*. Supervisor: prof.ssa Elsa Fornero.  
Awarded the “Optime” prize for the best undergraduate student awarded by the Unione Industriale (Entrepreneurs Association) in Torino

## Teaching

### Online

Innovation in the Energy Sector (2015)

### Post-graduate (after “laurea” and “laurea specialistica”) and special courses

SIEPI Graduate Summer School: “The economics of electricity markets: incentives, regulation and environmental policy”, with Clara Poletti, at the CEUB Bertinoro

Ph.D. Course: “Industrial Organization”, at the University of Rome Tor Vergata (2019)

Ph.D. Course: “Principles of Economics [Economic Theory]”, at the Free University of Bolzano (2020, 2021, 2022, 2023, 2024)

Ph.D. Course: “Academic writing” (2020, 2023)

Winter School on Federalism and Government, "Federalism and Language", Lecture on “Costs and Benefits of Language and Federalism”, at the University of Innsbruck, EURAC and University of Innsbruck (2020).

Graduate Course: “Regulation of Energy Markets”, IUSS (Istituto Universitario di Studi Superiori), Pavia – in English (2012)

Master “Management and Regulation of Renewable Energies”, LUISS University, Rome – in Italian (2011)

Graduate Summer Course: “The Economics of Public Utilities”, Free University of Bolzano – in English (2009)

### Undergraduate (during “laurea” and “laurea specialistica”)

At the University of Macerata (in Italian)

Contract Theory, Master Program in Public Administration (1 year)  
Advanced Economics, Master Program in Public Administration (5 years)  
Applied Economics, Bachelor program in Law (4 years)  
Introductory Economics Bachelor program in Law (5 academic years)

At the Free University of Bolzano (in part in English, in part in Italian)

Economics of Innovation, School of Economics and Management (6 years)  
Business Economics, School of Economics and Management (8 years)  
Industrial Economics, School of Economics and Management (4 year)  
Economics for Digital Business, Faculty of Informatics, then Engineering (4 years)  
Digital Economics, School of Economics and Management (2 years)  
Destination Development, School of Economics and Management (2 years)  
Tourism Policy, School of Economics and Management (2 years)  
Tourism Economics, School of Economics and Management (1 year)  
Macroeconomics II, School of Economics and Management (1 year)

At LUISS University, Rome (in English)

Industrial Organization and Competition – Department of Economics and Finance, Degree Course in Economics and Business (2013)

At the University of Cordoba, Argentina (in Italian)

Managerial Economics, Bi-national Italo-Argentinian degree (2007)

At Transport Regulatory Authority (ART)

Data governance and economics of data (with Giuseppe Bellantuono), for staff at the Regulatory Authority (mostly economists and legal experts).

Phd students

Supervision: Daniele Mazzacani (completed in 2017), Candace Barr (2023)

Co-supervision: Filippo del Grosso (2020), Silvia Tomasi (2023), Renate Klotz (2025), Matteo del Piano (ongoing)

**Professional Activities (samples)**

Referee for *Econometrica*, *Review of Economic Studies*, *American Economic Journal: Economic Policy*, *American Journal of Political Science*, *Journal of the European Economic Association*, *Journal of Public Economics*, *Economic Journal*, *Economic Inquiry*, *Journal of Industrial Economics*, *International Journal of Industrial Organization*, *Scandinavian Journal of Economics*, *Public Choice*, *Journal of Environmental Economics and Management*, *Journal of Development Economics*, *Economia Politica*, *Energy Economics*, *Regional Science and Urban Economics*, *Journal of Economics*, *The Energy Journal*, *Energy Policy*, *Industrial and Corporate Change*, *Italian Economic Journal*, *Managerial and Decision Sciences*, *Research in Economics*, *Economia dei Servizi*, *L'Industria*, *Economia e Politica Industriale*, *Journal of*

*Hospitality, Marketing and Management, International Journal of Entrepreneurship and Innovation Management, Advances in Economics and Business, Economics and Policy of Energy and the Environment, Review of Economics and Institutions, International Journal of the Economics of Business, Energy Strategy Reviews, Sustainability, Utilities Policy*

Reviewer of Project Proposals: Luiss University, Università Italo-Francese, Webster University

Member of the Scientific Committee of “Centro Einaudi”, Torino (2023 to now)

Member of the Editorial Board, then of the Scientific Committee, of *Review of Economics and Institutions* (July 2012 to date)

Member of the Editorial Board of *L’Industria* (March 2011 to date)

Member of the Editorial Board of *Italian Economic Journal* (2023 to date)

Member of the Editorial Board of *Biblioteca della Libertà* (2024 to date)

Member of the Editorial Board of *Energia* (2007 - 2021)

Associate Editor of *Journal of Industrial and Business Economics* (2021 to date)

Member of the Board of the Italian Economic Association SIE (2025 to date)

Member of the Board of the Italian Association for Industrial Economics and Policy SIEPI (2019 - 2025)

Cluster leader, cluster in Tourism, Marketing and Regional Development, Free University of Bolzano (2020 to date)

Member of the Advisory Board (*Collegio Docenti*) of the Ph.D. Program in “Economics and Finance”, Free University of Bolzano, (2021 to date)

Member of the Advisory Board (*Collegio Docenti*) of the Ph.D. Program in “Management and Economics of institutional and organizational outliers”, Free University of Bolzano, (2014 to date)

Member of the Advisory Board (*Collegio Docenti*) of the Ph.D. Program in “Production and Development Economics”, Università di Varese (2010-2014)

Organizer of the Euregio Mobility Fund workshop on: “Economics of Automation and AVs: a Multidisciplinary Approach”, Free University of Bolzano, June 2022

Organizer of the “First Bruneck Workshop on the Political Economy of Federalism and Local Development”, Free University of Bolzano, Bruneck, September 2016

Organizer of the Second Workshop on Political Economy, Free University of Bolzano, Bruneck, October 2017

Organizer of the Third Workshop on Political Economy, Free University of Bolzano, Bruneck, October 2018

Organizer of the Fourth Workshop on Political Economy, Free University of Bolzano, Bruneck, 2019

Organizer of the Fifth Workshop on Political Economy, Free University of Bolzano, Bruneck, 2021

Organizer of the Sixth Workshop on Political Economy, Free University of Bolzano, Bruneck, 2023

Organizer of the workshop: “Innovazione e trasformazione nei settori della mobilità e del trasporto [Innovation and Transformation in Mobility and Transportation]”, Free University of Bolzano, Bruneck, December 2015.

Organizer of the series “Economics and Journalism”, in cooperation with the Association of the Order of Journalists and the Union of Journalists, Free University of Bolzano, 2018, 2019, 2020, 2021, 2022, 2024

Organizer of the workshop: “Economics of Automation and AVs: a Multidisciplinary Approach”, Euregio Mobility Fund, 24 June 2022

Member of the Scientific Committee of the 18<sup>th</sup> IAEE (International Association for Energy Economics) Conference, Milan, 2023

Member of the Scientific Committee of the 1<sup>st</sup> AIEE (Italian Association for Energy Economics) Symposium on “Current and Future Challenges to Energy Security”, Milan, November 2016

Member of the Scientific Committee of the 2<sup>nd</sup> AIEE (Italian Association for Energy Economics) Symposium on “Current and Future Challenges to Energy Security”, Rome, November 2017

Member of the Scientific Committee of the 5<sup>th</sup> AIEE (Italian Association for Energy Economics) Symposium on “Current and Future Challenges to Energy Security”, Bocconi, December 2020

Member of the Scientific Committee of the 6<sup>th</sup> AIEE (Italian Association for Energy Economics) Symposium on “Current and Future Challenges to Energy Security”, virtual, 2021

Member of the Scientific Committee of the 7<sup>th</sup> AIEE (Italian Association for Energy Economics) Symposium on “Current and Future Challenges to Energy Security”, virtual, 2022

Member of the Scientific Committee of the 8<sup>th</sup> AIEE (Italian Association for Energy Economics) Symposium on “The Global Energy Transition Toward Decarbonization”, virtual, 2023

Member of the Scientific Committee of NERI (Italian Network of Economists of Regulation and Institutions), since 2018

Member of the Scientific Committee of the EFI (Energy Finance Italia) Conference, 3<sup>rd</sup> edition (Chieti, 2018), 4<sup>th</sup> edition (Milano Bicocca, 2019), 5<sup>th</sup> edition (Tor Vergata, 2020), 6<sup>th</sup> edition (Brescia, 2021), 7<sup>th</sup> edition (Naples Parthenope, 2022), 8<sup>th</sup> edition (Polytechnic of Milan, 2023), 9<sup>th</sup> edition (Bari, 2024)

External Member of the Ph.D. Final Examination Committee, University of Trento (2013 - 2014)

External Evaluator for the Ph.D. Final Examination Committee, University of Bari (2017)  
External Evaluator for the Ph.D. Final Examination Committee, Polytechnic of Torino (2019)  
External Evaluator for the Ph.D. dissertation, University of Bergamo (2019)  
External Evaluator for the Ph.D. dissertation, University of Rome Tor Vergata (2020)  
Rapporteur for the Ph.D. dissertation, Université de Paris Mines Paris-Tech PSL (2020)  
External Evaluator for the Ph.D. dissertation, University of Perugia (2022)  
External Evaluator for the Ph.D. dissertation, University of Padova (2022)  
Committee for the award of the Ph.D., Catholic University (2025)  
Committee for the award of the Ph.D., University of Perugia (2024)  
Member of the organizing committee of the yearly workshop of “L’Industria”, Università Politecnica delle Marche and ISTAO, Ancona, September 2014  
Co-organizer of the series of seminars in Economics, Free University of Bolzano, academic year 2007/2008  
Organizer of the Cluster online seminar series, Cluster of Tourism, Marketing and Regional Development, Free University of Bolzano, 2020 to date  
Organizer of the Conference: “Electricity Import”, Free University of Bolzano (2006)  
Local organizer of the Summer School: “Game Theory and its Applications”, Free University of Bolzano (2005)  
Member of Recruitment Commissions in the following Universities: Bolzano, Roma La Sapienza, Milano Bicocca, IMT Lucca, Torino, Torino Politecnico, Pescara, Cagliari, Ancona, Udine, Padova, Napoli Federico II, Venezia, Bergamo.  
Member of the Recruitment Commission to select a manager in the Court of Accounts, District of Trento/Bolzano (2021-2022).  
Member (secretary) of the ASN Committee in SECS P02 in execution of jurisdictional provisions (to examine candidates’ appeal) (2024)

## **Research Output**

### **Journal Publications (International)**

“Green and Guilty: The Interplay of Environmental Quality and Greenwashing”, with Piersilvio De Bortoli and Andrea Nicolodi, forthcoming, *Economics Letters*

“Drought-Relief and Partisanship”, 2024, *Oxford Bulletin of Economic Research*, vol. 86, issue 2, pp. 187-208, with Francisco Cavalcanti, Christian Fons-Rosen and Amedeo Piolatto

“Congestion and Incentives in the Age of Driverless Fleets”, 2023, vol. 137, article n. 103591, *Journal of Urban Economics*, with Alessandro Fedele and Alberto Iozzi.

“Voters' Information, Corruption, and the Efficiency of Local Public Services”, 2018, *Sustainability*, 10(12), 4775, with Graziano Abrate, Fabrizio Erbetta and Davide Vannoni.

“Patenting Patterns in the Tourism Industry: Evidence from Italy”, 2018, *International Journal of Tourism Research*, vol. 20, n.4, pp. 411-541, with Marianna Succurro

“Political Centralization and Government Accountability”, 2016, *Quarterly Journal of Economics*, vol. 131, n. 1, pp. 381-422, with Amedeo Piolatto and Giacomo Ponzetto
