CURRICULUM VITAE

COURSES OF STUDIES

Economics and Management, Economics and Social Sciences

EDUCATION

In 1976 graduated (with Honours) from Kiev State University; Specialization: *Probability Theory and Mathematical Statistics*; Kiev, USSR.

In 1979 received the Candidate's Degree in Operations Research from the V. M. Glushkov Institute of Cybernetics; Specialization: *Mathematical Cybernetics*; Kiev, USSR.

In 1987 received the Certificate of Senior Research Fellow (Habilitation) in *Mathematical Cybernetics* from the Academy of Sciences of the USSR; Moscow, USSR.

In 1989 received the Doctor's Degree (State Doctorate) in Operations Research from the V. M. Glushkov Institute of Cybernetics; Specialization: *Operations Research*; Kiev, USSR.

In 1998 received the Habilitation in *Operations Research* from the University of Vienna; Vienna, Austria.

POSITIONS HELD

1976 - 2001: Department of Mathematical Methods of Operations Research of the V. M. Glushkov Institute of Cybernetics, Kiev, USSR-Ukraine. Held positions: Engineer (1976-1978), Junior Research Fellow (1978-1983), Senior Research Fellow (1983-1990), Leading Research Fellow (1990-2001).

1990-1999: the International Institute for Applied Systems Analysis (IIASA), Laxenburg, Austria. Held positions: Research Scholar (Adaptation and Optimization Project, 1990-1993; Dynamic Systems Project, 1993 and 1999) and Deputy Project Leader (System Analysis of Technological and Economic Dynamics Project, 1994-1998).

2000-present: Faculty of Economics and Management, Free University of Bozen-Bolzano, Bolzano, Italy. Professor of Mathematics for Economists. (Economics and Management, Degree Program Director: 2003-2004; Vice Dean: 2002-2005 and 2007-2009; Vice Rector for Research: 2009-2012.)

PUBLICATIONS AND AWARDS

There more than 80 publications. Among them a book, the *Medal for Young Scientists for the Best Research Project* of the Ukrainian SSR Academy of Sciences in 1980.
