**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 27.10.2016, no. 228, requesting the awarding of two fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector AGR/08 (Agricultural hydraulics and watershed protection)

**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 27.10.2016, no. 229, requesting the awarding of one fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector AGR/15 (Food Technology)

**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 27.10.2016, no. 230, requesting the awarding of one fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector BIO/03 (Environment and Applied Botany)

**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 07.12.2016, no. 265, requesting the awarding of one fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector AGR/05 (Forest management and forestry)

**VERIFIED** that the fixed-time research assistant contracts for collaboration at research activity requested by the Faculty of Science and Technology enjoy the necessary financial backing;

### DECREES

#### Art. 1

### *Object of the selection procedures*

- 1) The Free University of Bolzano, hereinafter referred to as University, announces five selection procedures for the awarding of five fixed-time research assistant contracts for collaboration at research activity for the faculty and disciplinary-scientific sector hereafter indicated.

#### **Faculty of Science and Technology**

**Disciplinary-scientific sector:** AGR/01 (Agricultural economics)

**Competition Sector:** 07/A1 (Agricultural Economics and Appraisal)

**Title of research project:** Feasibility study on the establishment and activation of a South Tyrolean online population survey panel on scientific market, opinion polling and election research

**Description of the research activity:** The aim is an analysis of the feasibility and technical-organizational prerequisites and requirements for the concrete establishment of a representative online population survey panel for market, opinion and election research in South Tyrol.

During the project period, the following questions will be answered and solutions will be developed:

- Demand assessment for potential users of the panel (South Tyrol organizations, companies and political parties) and assessment of their willingness to pay for the use of this information service.
- Estimation of the existing software and hardware requirements, in particular the estimation of the adaptation effort of existing survey software of unibz (e.g., "Opinio") for a panel survey.
- Evaluation of possibilities for a representative sample selection and successful panel participant recruitment.
- Determine the concrete costs of building and maintaining the panel and determine the finance model for the panel participants' compensation

#### **Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for research activity:**

Master's degree in one of the following scientific disciplines:

- Business economics
- Business informatics
- Social sciences
- Economics
- Agricultural sciences

**Preferential title:** Ph.D. or equivalent

**The gross annual remuneration:** 24,981.58 euros

**Number of places:** 1 (one)

**Duration of the contract:** 12 months

**Type of selection:** Titles

#### **The assessment criteria:**

- Research doctorate, which is coherent with the field covered: max. 20 points

Evaluation criteria: theme and quality

- Master's degree: max. 50 points

Evaluation criteria: Final score and combination

- Publications: max. 10 points

Assessment criteria: number, relevance and quality

- Specialized professional research ability, which is documented with the qualifications and CVs of the candidates: max. 10 points

Assessment criteria: the topic, relevance and quality of the Master's and Bachelor's theses

- Additional qualifications (teaching, continuing education, internships, work, etc.): max. 10 points  
Evaluation criteria: relevance and final result

**Criteria for determining the part of the candidate in publications with more than one author:**

- a) order of names: leader, author, coordinator
- b) coherence with scientific activity
- c) the candidate's scientific knowledge in the specific field
- d) objective Possibility to determine the contribution of the candidate by means of clear information in the publications.

**Score to attribute to the evaluation, respectively, of the qualifications, of the publications and of the interview (max 100 points): 100**

**Total minimum score in order to declare the candidate suitable for the position: 65**

**Supervisor:** Prof. Christian Fischer

**Place of work:** Bolzano - Bozen

**Session:** VI 2016

---

**Faculty of Science and Technology**

**Disciplinary-scientific sector:** AGR/08 (Agricultural hydraulics and watershed protection)

**Competition Sector:** 07/C1 (Agricultural, Forest and Biosystem Engineering)

**Title of research project:** GLORI - GLACIERS-TO-RIVERS SEDIMENT TRANSFER IN ALPINE BASINS

**Description of the research activity:**

- Analysis of morphological dynamics of mountain rivers through aerial photo interpretation and topographic, LiDAR and photogrammetric surveys, utilizing GIS and point cloud analysis softwares.
- Monitoring of sediment transport (bedload and suspended) processes in mountain channels, through direct sampling as well as by indirect measurements based on optical and acoustic instruments.
- maintenance of monitoring instruments
- preparation and analysis in the lab of water samples for stable water isotopes
- data analysis and writing of scientific papers

**Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for research activity:** - PhD in watershed management, environmental management of mountain areas, environmental hydraulics/hydrology, or geomorphology

**The gross annual remuneration:** 24,000.00 Euro

**Number of places:** 1 (one)

**Duration of the contract:** 12 months, renewable for other 12 months, depending on the positive research assessment as well as the availability of the necessary financial resources.

**Type of selection:** Titles and interview

**Language of the interview:** English

**The assessment criteria:** to be determined in the first meeting.

**Criteria for determining the part of the candidate in publications with more than one author:** to be determined in the first meeting.

**Criteria for the evaluation for the interview:** to be determined in the first meeting.

**Maximum duration of the interview:** 30 minutes for each candidate

**Object of the interview:** Geomorphological processes in glacial and periglacial areas

**Score to attribute to the evaluation, respectively, of the qualifications, of the publications and of the interview:** to be determined in the first meeting.

**Minimal score which is necessary for admission to the oral exam:** 40 points

**Total minimum score in order to declare the candidate suitable for the position:** possibly to be determined in the first meeting

**Supervisor:** Prof. Francesco Comiti

**Place of work:** Bolzano - Bozen

**Session:** VI 2016

## **Faculty of Science and Technology**

**Disciplinary-scientific sector:** AGR/15 (Food Technology)

**Competition Sector:** 07/F1 (Food Technology)

**Title of research project:** Food Technology

**Description of the research activity:** The purpose is to develop methods to control food processes performed within a calorimetric reactor, through the use of sensors.

**Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for research activity:**

Master degree with a thesis dealing with Food Science, Food Chemistry or Food Engineering.

Scientific profile: the candidate must prove a scientific expertise on analytical method validation and on the calorimetry analysis.

**Preferential title:** Ph.D. or equivalent

**The gross annual remuneration:** 19,430.00 Euro

**Number of places:** 1 (one)

**Duration of the contract:** 12 months

**Type of selection:** Titles and interview

**Language of the interview:** English

**The assessment criteria:**

Diploma degree: max 10 points:

- up to 99 / 110 = 0 points;

- from 100 to 109 = 5 points
- from 109 to 110 = 8 points;
- 110/110 L = 10 points;

Aptitude for research as declared from the titles and curriculum: max. 30 points.

They will be assessed: dissertations high scientific content relevant with the objective of the research, the total number of publications, laboratory skills and work related to the research title defined in the present call.

Titles Publications: max. 10 points

Evaluation criteria:

- a) Number of articles published in International Journals with IF (impact factor): 0.5 points for each article (max 5 points)
- b) Number of articles in which the candidate appears as first Author: 1 point for each article (max 5 points)

**Criteria for determining the part of the candidate in publications with more than one author:**

**Faculty of Science and Technology**

**Disciplinary-scientific sector:** BIO/03 (Environment and Applied Botany)

**Competition Sector:** 05/A1 (Botany)

**Title of research project:** Research project "Environment & Health" and further development of the transdisciplinary research network in South Tyrol within the coordination office

**Description of the research activity:** Coordinated by the Free University of Bozen-Bolzano, the transdisciplinary Research Network Environment & Health will be established, which bundles the research potentials of Environmental and Health Sciences in South Tyrol on the regional, national and international level. A close cooperation between the research institutions with stakeholders of environment and health within applied and transformative research is the objective. Research areas comprise, e.g. urban ecosystems and health, water & health, waste & health, antibiotics and antibiotic resistance in the environment, micro-pollutants in the environment, pesticides & health, noise & health and healthy food production.

The main task of the researcher will be an own research project in the interactive field Environment & Health with a combination of concepts and methodologies of vegetation ecology and microbiology, in cooperation with one or more network partners.

Additionally, the tasks comprise:

- Fundraising for inter- and transdisciplinary research projects within the focus environment & health,
- Further development of the research network between research institutions, institutions of health and environmental practice and enterprises,
- Support of research application writing,
- Organization of inter- and transdisciplinary events (conferences, workshops, roundtables, etc.) on current topics,
- Coordination of publications based on the organized events,
- Support of interdisciplinary publications within the focus environment & health,
- Working out of a cooperation agreement between the network partners on the basis of the network concept.

These tasks will be tackled in close cooperation of the scientists in the coordination office and the scientific coordinator.

**Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for research activity:**

- Master study of Environmental Science, Ecology, Agricultural Science or Forestry, Environmental Management, or similar studies
- PhD in the topics given above
- Experiences in interdisciplinary and, respectively, transdisciplinary cooperation
- Very good knowledge of English and the languages Italian and/or German

**The gross annual remuneration:** 24.500.00 €

**Number of places:** 1 (one)

If the candidate's address differs from that of her/his place of residence, again the University is exempt from responsibility should a registered letter with notification of receipt arriving at the place which the candidate had specified as his address during the period of selection, fail to reach her/him.

## Art. 6

### *Presentation of qualifications*

- 1) Considered that, in accordance to the present call, by 'qualifications' are intended those scientific, didactic and artistic ones and the publications, and for 'certificates' any document proving the possession of a certain qualification, the candidate must enclose at the application for participation in the selection procedure in unstamped paper:
- a) 1 copy of a valid identity document and the fiscal code;
  - b) 1 photocopy of the curriculum vitae regarding the didactic and scientific activity and drawn up according to the model of attachment 'C';
  - c) didactic and scientific qualifications believed useful for the comparative assessment;
  - d) 1 photocopy of the list of the publications believed useful for the comparative assessment and drawn up in accordance with article 7 paragraph 3 of this call;
  - e) 1 photocopy of the list of all documents enclosed at the application [generic list of those materially inserted in the envelope, or the documents required by letters a), b), c) and d) of the present paragraph].
- 2) The qualifications indicated in paragraph 1, letter c), of the present article, if issued by Italian Public Administration, must be produced in one of the following forms:
- a) in copy corresponding to the original as certified by substitutive declaration of the deed of notoriety according to art. 47 of the D.P.R. 28th December 2000, no. 445. In that case the candidate must produce:
    - 1 copy of each qualification;
    - 1 declaration drawn up according to the model of attachment 'B', signed and dated at the last page, where the candidate, under own responsibility, declares that the copies of the enclosed qualifications, exactly described, and in particular with regard to the date of attainment, place and Administration issuing the qualification, correspond to the original. That declaration at the same time serves as list of the qualifications, in which case the latter ones do not have to be produced;
    - 1 copy of an identity document;
  - b) in form of a self-declaration according to the model of attachment 'B' (substitutive declaration of certification according to art. 46 of the D.P.R. 28th December 2000, no. 445), where the candidate, under own responsibility, declares to possess the qualifications, exactly described, in particular with regard to the date of issue, place and Administration issuing the qualification. In that case the candidate must produce:
    - 1 copy of the attachment 'B', signed and dated at the last page, which at the same time serves as list of the qualifications, in which case the latter ones must not be produced;
    - 1 copy of an identity document.

**The University cannot request nor accept certificates issued by other Italian public offices.**

**If the above-mentioned certificates should be enclosed at the application for participation in the selection procedure, they will not be considered by the Commission of selection.**

The qualifications issued by private corporation or abroad can be produced in one of the following forms:

- a) in original;
- b) in certified copy;
- c) in copy corresponding to the original as certified by substitutive declaration of the deed of notoriety or in form of a self-declaration according to the above-mentioned model of attachment 'B'.

The above mentioned declarations drawn up according to the model of attachment 'B' may be used by Italian citizens and also by citizens of the EU.

The declarations according to the above-mentioned articles of the D.P.R. 28th December 2000, no. 445, may be used by non-EU citizens, if it is necessary to proof conditions, facts and personal qualities certifiable or attestable by public or private Italian bodies or bodies of the EU, without prejudice of special provisions in laws and regulations concerning immigration matters and the condition of foreigners. If the declarations according to the above-mentioned articles of the D.P.R. 28th December 2000, no. 445 are used in other cases than the above mentioned, the winner of the procedure has to submit, before the employment, the certificates as per paragraph 7.

- 3) The curricula and the lists mentioned in letters d) and e) of paragraph 1 of the present article must be signed and dated in the last page.
- 4) No qualification sent to this Administration will be returned.
- 5) The sending of the publications does not enable to correct the missed or late submission or mailing of the application for participation in the selection.
- 6) Without prejudice to the exceptions expressly provided by law, the above-mentioned attachment 'B' may further be used by the candidate to declare standings, facts and personal qualities of her/his direct knowledge, not expressly indicated in art. 46 of the D.P.R. 28th December 2000, no. 445.
- 7) With regard to non-EU citizens, the certificates issued by the competent Authorities of the country the person belongs to, must be in accordance with the provisions in force in those countries and must also be legalized by the competent Italian consular authorities.
- 8) With regard to conditions, facts and personal qualities self-certificated by the candidates for the present selection procedures the University has the possibility to exercise appropriate checks, also random ones, regarding their truthfulness.

In case of mendacious declaration, the candidate, further than being excluded from the selection procedure, will be denounced according to the Criminal Code and the special laws regarding the matter, according to the provisions cited in art. 76 of the D.P.R. 28th December 2000, no. 445.

- 9) The qualifications may be produced in their original language if it is one of the following: Italian, French, English, German and Spanish.

It is in the authority of the Commission of selection to request the candidates integrations of the qualifications submitted in French, English, German or Spanish language, by forwarding the correspondent translation in Italian.

The translation in Italian language must be accompanied by a substitutive declaration of the deed of notoriety where the candidate, according to art. 47 of the D.P.R. 28th December 2000, no. 445, certifies the conformity of the translated text with the original (see attachment 'B').

In relation to publications sent by registered letter with notification of reception proof shall be considered the date stamp of the accepting post office according to the D.P.R. 28th December 1970, no. 1077.

The University disclaims liability for possible postal mis-deliveries.

- 2) Publications will only be evaluated when they can be traced in public catalogues as publications.
- 3) Together with the publications, there must be enclosed a correspondent list, signed and dated at the last page. The Publications must be mentioned in chronological order within each category following the International Standard for bibliographic references with DOI whenever possible. With multiple authorship, if one is the main author, that author's name appears in *Italics*. In addition, in the left-hand margin please star (\*) what you consider were especially significant publications. Where relevant, citation index and impact of journal.
- 4) On the package containing the publications must be affixed the inscription "Publication: selection procedure for the awarding of a fixed-time research assistant contract for the collaboration at research activity" and be accurately indicated the faculty, the initials and the denomination of the disciplinary-scientific sector, the title of the research project and the candidate's name, surname and address for the present selection procedure (the address for the present selection procedure is the candidate's elected domicile for the receipt of the communications relating to this procedure).
- 5) Publications handed in or sent after the final term as indicated in paragraph 1 of the present article cannot be considered by the Commission of selection.
- 6) For the present selection procedure are considered assessable the print extracts and the works which, at the moment of the deadline of the call, have been subject to legal deposit according to the provisions of the law 15th April 2004, no. 106, put into effect with D.P.R. 3rd May 2006, no. 252.
- 7) The publications, with 1 copy of the correspondent list attached, may be sent:
  - a) in original;
  - b) in certified copy;
  - c) in photocopy. In that case a substitutive declaration of the deed of notoriety (to be drawn up according to the model of attachment 'B' and signed at the last page, with the production of a photocopy of an ID) must be attached, where the candidate, according to art. 47 of the D.P.R. 28th December 2000, no. 445, certifies the conformity of those produced with the original and indicates the author, the title of the work, the place and date of publication and the number of the work.

- 8) In case the candidate produces copies declared conform to the originals according to paragraph 7, letter c), of the present article:
- a) for works printed in Italy it is also necessary to attest the date of deposit of the printing according to the law 15th April 2004, no. 106, put into effect with D.P.R. 3rd May 2006, no. 252;

- b) presenting applications which, for any reasons, are not sent by post or consigned by the final deadline indicated in art. 5, paragraph 1 of the present call.

### **Art. 9**

#### *Renunciation of participation*

- 1) The renunciation of participation at the selection procedure (to be drawn up according to the model of attachment 'C') must be sent by fax to the President of the Commission of selection (fax number: +39 +39 0471 017009) and, for information, to the person in charge of the procedure.  
Renunciations preceding the formation of the Commission of selection must be subsequently sent to the person in charge of the procedure (fax number: +39 0471 011309).
- 2) Renunciation takes effect from the Commission's first meeting following the date of its receipt.
- 3) The absence of the candidate at the interview is considered implied renunciation to the selection procedure.

### **Art. 10**

#### *Commission of Selection*

- 1) The assessment is to be carried out by a Commission of selection, to be constituted of three members belonging to university staff from Italy or abroad.  
The members of the Commission of selection must be active in the relevant research area or in the disciplinary area the research project or the research activity refers.
- 2) The members of the Commissions of selection are appointed by the Department requesting the selection procedure.
- 3) The Commission of selection is appointed by special provision to be published also on the University's web page.
- 4) The Commission of selection remains in charge for six months and may be renewed only once and for not more than four months.  
In case the work has not been completed within the extended period, the Rector, with due provision, will start procedure for the replacement of the Commission or the members responsible for the delay, establishing at the same time a new term for the conclusion of the work.
- 5) In case of selection procedures based on only qualifications the Commission of selection, for carrying out its meetings, may make use of telematics tools for collective work, on condition that all documentation submitted for the selection procedure is available in digital form.

### **Art. 11**

#### *Selection of the candidates*

- 1) The comparative assessment is based on qualifications and, if provided by the call, examination/s.
- 2) The interview, if provided, may be performed also by videoconference.
- 3) In case one or more examinations are provided, the dates will be notified to the candidates not less than 20 days before taking place, with indication of the time and place they are being held.  
To sit the examination/s, the candidate must be equipped, with the exclusion of others, of one of the following currently valid documents of recognition provided in art. 35, paragraph 2 of the D.P.R. 28th December 2000, no. 445: identity card, passport, driving licence, railway record-book, postal card, firearms licence. The mentioned documents must contain a recent photograph of the candidate and her/his signature be authenticated by a mayor or a public notary.
- 4) At the end of its work, the Commission of selection, on the basis of the scores assigned for the qualifications, publications and the examinations, if provided, compiles the merit ranking of the

suitable candidates. Minority positions should be recorded, indicating, in relation to the number of research assistant contracts to confer, the candidates which the research contracts are conferred.

#### **Art. 12**

##### *Publicity and transparency of the selection procedure*

- 1) The Commission of selection gives communication of the record containing the final merit ranking to the person in charge of the procedure for the subsequent measures.
- 2) In case procedural errors are discovered, the records are returned with due provision to the Commission of selection for regularization within the term indicated in the provision.
- 3) The results of the assessment will be published also on the University's web page.

#### **Art. 13**

##### *Validity of the ranking according to merits*

- 1) The merit ranking lasts up to six months before the conclusion of the research project.
- 2) In case of withdrawal from the contract, the same will be conferred to the next suitable candidate in the concerned ranking list.

#### **Art. 14**
