Selection procedures for the awarding of 5 fixed-time research assistant contracts for collaboration at research activity

### THE RECTOR

**IN VIEW OF** the Statute of the Free University of Bozen-Bolzano;

**IN VIEW OF** the law 30th December 2010, no. 240, stating "Provisions concerning the organization of universities, academic personnel and recruitment, as well as the delegation of the Government for providing incentives for the quality and efficiency of the university system", and in particular its art. 22 concerning the awarding of research assistant contracts for the performance of research activity;

**IN VIEW OF** the Ministerial Decree 9th March 2011, no. 102, determining the gross minimum amount of the research assistant contract advertised according to Art. 22 of the law 30th December 2010, no. 240;

**IN VIEW OF** the 'Regulation of the research assistant contracts according to Art. 22 of the law 240/2010, in force;

**IN VIEW OF** the 'Regulation concerning the remuneration of researcher and holder of research assistant contracts, in force;

**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 07.03.2018, no. 67, requesting the awarding of one fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector AGR/12 (Phytopathology);

**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 07.03.2018, no. 69, requesting the awarding of one fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector BIO/03 (Environmental and applied botany);

**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 07.03.2018, no. 70, requesting the awarding of one fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector ING-IND/16 (Manufacturing Technologies and Systems);

**IN VIEW OF** the deliberation of the Faculty Council of the Faculty of Science and Technology from 07.03.2018, no. 71, requesting the awarding of two fixed-time research assistant contract for collaboration at research activity in the disciplinary-scientific sector ING-IND/35 (Management Engineering);

**VERIFIED** that the fixed-time research assistant contracts for collaboration at research activity requested by the Faculty of Science and Technology enjoy the necessary financial backing;

### DECREES

#### Art. 1

#### *Object of the selection procedures*

The Free University of Bolzano, hereinafter referred to as University, announces 5 selection procedures for the awarding of 5 fixed-time research assistant contracts for collaboration at research activity for the faculty and disciplinary-scientific sector hereafter indicated.

## 1. Faculty of Science and Technology

**Session:** II 2018

**Number of places:** 1

**PIS:** 131982

**CUP:** I52F17001330005 (Cost centre: IN2067)

**Supervisor:** Prof. Sanja Baric

**Disciplinary-scientific sector:** AGR/12 (Phytopathology)

**Competition sector:** 07/D1 (Phytopathology and Entomology)

**Title of research project:** DSSApple - Development of a decision support system for the determination of postharvest disorders and diseases of apple.

**Description of the research activity:** Postharvest diseases can deteriorate the quality and quantity of the produce and have a considerable economic impact. The aim of the interdisciplinary project is thus to develop a decision support system for the diagnosis of postharvest diseases of apple, which is the most important crop in the Autonomous Province of Bozen-Bolzano. The successful candidate will perform photo documentation to describe the macroscopic disease symptoms as well as apply microscopic, microbiological and molecular methods in order to characterize the causal agents of fruit decay collected in different growing areas of South Tyrol. Furthermore, a standardized procedure to obtain microscopic photographs of the spores of different isolates of the most important postharvest disease agents of apple will be implemented to provide images for the development of an image-based analysis system.

**Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for the research activity:**

- Master's degree in Agricultural Sciences, Biological Sciences or related sciences
- Experience with microbiological and molecular methods
- Good knowledge of English language
- Possession of a driving license B to drive motor vehicles

**Preferential title:** PhD in Agricultural Sciences, Biological Sciences or related sciences

**Type of selection:** Based on qualification and oral exam

**The assessment criteria:**

The criteria will be defined by the evaluation commission at the first meeting

**Criteria for determining the part of the candidate in publications with more than one author:**

The criteria will be defined by the evaluation commission at the first meeting

**Criteria for the evaluation for the interview:**

The criteria will be defined by the evaluation commission at the first meeting

**Language of the exam:** English

**Duration of the exam:** 45 minutes

**Object of the exam:**

- Discussion of the qualification and research experience of the candidate

- General questions about phytopathology and specific questions about postharvest diseases
- Evaluation of the knowledge about the principle and application of microscopic, microbiological and molecular analysis methods in the area of phytopathology

**Total minimum score necessary for admission to the oral exams:**

Will be defined by the evaluation commission at the first meeting.

**Total minimum score in order to declare the candidate suitable for the position:**

Will be defined by the evaluation commission at the first meeting.

**Place of work:** UNIBZ Bozen-Bolzano

**The gross annual remuneration:** € 22.500,00

**Duration of the contract:** 12 months; renewable for other 12 months, given both the positive evaluation of the activity and the availability of the budget

## **2. Faculty of Science and Technology**

**Session:** II 2018

**Number of places:** 1

**PIS:** 132011 (OIP009)

**CUP:** I52F16001100005

**Supervisor:** Prof. Dr. Stefan Zerbe

**Disciplinary-scientific sector:** BIO/03 (Environmental and applied botany)

**Competition sector:** 05/A1 (Botany)

**Title of research project** Traditional medical plants in South Tyrol and further development of the transdisciplinary research network TER in South Tyrol within the coordination office

**Description of the research activity:** Traditional ecological knowledge is increasingly assessed important for the development of sustainable land-use systems and ecosystem restoration. Traditional medical plants are part of this, although much knowledge is degrading through time. In South Tyrol, a review of plants traditionally used for medical purposes should be performed, focusing on the species and their habitats, their use, and chemical ingredients as well as land-use changes and human perception changes in the past decades. The methodological approaches comprise a detailed literature review, field surveys, and interviews. This task is within the Transdisciplinary Research Network Environment & Health (TER), which bundles the research potentials of Environmental and Health Sciences in South Tyrol on the regional, national and international level. Accordingly, networking and the promotion of cooperation with research institutions and stakeholders from practice is important. The project work should be the basis for a larger project funded by a third party.

**Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for the research activity:**

- Master in Ecology, Biology, Environmental Sciences, Agricultural Sciences, Forest Sciences, or similar disciplines
- Good knowledge of plant species and field ecology
- Experiences in interdisciplinary cooperation

- Optimal communication and team skills
- Knowledge of English as well as Italian and/or German

**Preferential title:** PhD in Ecology, Biology, Environmental Sciences, Agricultural Sciences, Forest Sciences, or similar disciplines or equivalent foreign study title.

**Type of selection:** Title and colloquium

**The assessment criteria (max. 50 points):**

- Grade Master of Science (max. 10/30 points)
- Coherence of the Master thesis and research work with the project (max. 10/30 punti)
- Experiences in interdisciplinary research (max. 10/30 points)
- Number and quality of publications (max. 20 points)

**Criteria for determining the part of the candidate in publications with more than one author:**

Number of publications as first author

**Criteria for the evaluation for the interview (max. 50 points):**

- Communication capacity
- Presentation of the scientific curriculum
- Knowledge of the English language

**Language of the exam:** English

**Duration of the exam:** 45 min

**Object of the exam:**

- Scientific curriculum
- Interdisciplinarity
- Plant ecology

**Total minimum score necessary for admission to the oral exams:** 30/50

**Total minimum score in order to declare the candidate suitable for the position:** 80/100

**Place of work:** Bolzano-Bozen

**The gross annual remuneration:** Euro 20.900,00

**Duration of the contract:** 1 year

---

### 3. Faculty of Science and Technology

**Session:** II 2018

**Number of places:** 1

**PIS:** 131767 (TN2078)

**CUP:** I52F16000620005

**Supervisor:** Dr. Pasquale Russo Spena

**Disciplinary-scientific sector:** ING-IND/16 (Manufacturing Technologies and Systems)

**Competition sector:** 09/B1 (Manufacturing Technologies and Systems)

**Title of research project:** AMDAPA - Additive Manufacturing FDM: Dimensional Accuracy and Product Acceptability

**Description of the research activity:** The researcher will carry out his/her research activity concerning the manufacture of additive components by means of the Fusion Deposition Modeling (FDM) technology and/or the conduction of experimental tests aimed to the product acceptability of these components.

**Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for the research activity:**

- Master degree in Mechanical Engineering, master degree in Industrial Production, master degree in Materials Engineering.
- Applicants must demonstrate that they have a sufficient knowledge of the above-mentioned research topics, both theoretical and technical-methodological.

**Preferential title:** PhD in Mechanical Engineering, Industrial Production, Materials Engineering or equivalent foreign study title.

**Type of selection:** Based on qualifications and oral interview.

**The assessment criteria:**

The criteria will be defined by the evaluation commission at the first meeting

**Criteria for determining the part of the candidate in publications with more than one author:**

The criteria will be defined by the evaluation commission at the first meeting

**Criteria for the evaluation for the interview:**

The criteria will be defined by the evaluation commission at the first meeting

**Language of the exam:** Italian or English

**Duration of the exam:** 30 Minutes

**Object of the exam:** Assessment of the knowledge relevant for the above-mentioned research topics and discussion of qualifications.

**Total minimum score necessary for admission to the oral exams:** There are no restrictions on admission to the oral interview.

**Total minimum score in order to declare the candidate suitable for the position:** 60/100

**Place of work:** Bolzano, at the Free University of Bozen-Bolzano.

**The gross annual remuneration:** 25.500,00 Euro

**Duration of the contract:** 12 months

#### 4. Faculty of Science and Technology

**Session:** II 2018

**Number of places:** 1

**PIS:** 132604, Position 1 (TN2237)

**CUP:** I53C17000420007 (ID project code: ITAT3011)

**Supervisor:** Prof. Dominik Matt and Dr. Guido Orzes

**Disciplinary-scientific sector:** ING-IND/35 (Management Engineering) – Pos. 1

**Competition Sector:** 09/B3 (Management Engineering)

**Title of research project:** A21DIGITAL TYROL VENETO (A21) - Interreg V-A Italy-Austria - Call 2017

**Description of the research activity:** The research is part of the Interreg Italy-Austria research project A21DIGITAL TYROL VENETO (A21). The macro-objective of the project is the identification of strategies relevant for the future and the development of proposals for comprehensive actions about the opportunities and challenges related to digitalization, for the subjects and decision-making bodies in the regions of Tyrol, South Tyrol and Veneto.

The research activities include supervision and support for the A21 research project. In particular, the research assistant will perform the following activities:

- Analysis of relevant secondary material on the topic of digitalization and definition of the detail of research questions.
- Collection of primary material / interviews with experts: identification of experts/intellectuals to be interviewed, interviews with experts/intellectuals and analysis of interviews, verification of results of interviews with experts, realization of two workshops/focus groups to discuss and verify results, elaboration of concrete action proposals for decision-making bodies, publication and presentation of results (collaboration in the writing of a book that summarizes the results of the project and writing at least one scientific article on the topics of the project).
- Support to the organization of the project events (in particular, 2 stakeholder events).
- Active participation to project meetings.

**Minimum curricular requirements necessary in order to carry out the research with details of the scientific and professional profile required for the research activity:**

Master in Mechanical Engineering, Industrial Engineering or Industrial Engineering or Economics.

**Preferential title:** PhD in Mechanical Engineering, Industrial Engineering, Management Engineering or Economics, or equivalent foreign study title.

**Type of selection:** Qualification and test (oral interview)

**The assessment criteria (max. 50 points):**

Doctorate (PhD) in accordance with the sector for which the position is activated, with a maximum of 5 points. Objective evaluation criteria: Relevance of the title for the research topic

The final grade with up to 20 points is determined as follows:

Grade: max. 10 points

Curriculum: objective evaluation criteria: Relevance of study plan, relevance of the scientific contents of the thesis on the research topic and relevant research experiences: max. 10 points

Research or work experience with up to 20 points. Objective evaluation criteria:

- Research fellowship or other cooperation agreements or work experience in universities, research institutions or private institutions related to the research area concerned: maximum 12 points.
- Training courses, conferences or summer schools on research-related topics, max 3 points;
- Proven experience in project management max 5 points

Publications with a maximum of 5 points: publications relevant for the research project: max. 5 points.

**Criteria for determining the part of the candidate in publications with more than one author:**

For publications with more than one author, the individual contribution of the candidate, if not resulting from the publication, will be determined on the basis of a declaration duly signed by the candidate on the contribution of the individual co-authors. In the absence of this declaration, the contribution will be considered equal between the authors.

**Criteria for the evaluation for the interview (max. 50 points):**

- a) Language knowledge of Italian and English (a good knowledge of at least two of the three languages is required);
- b) Proven experience in project management;
- c) Experience in Industry 4.0 and digitalization.

**Language of the exam:** Italian and English

**Duration of the exam:** 30 Min.

**Object of the exam:** Interview to assess the curricular and language requirements required.

**Total minimum score necessary for admission to the oral exams:** 25/50 points

  - h) not to exceed the total duration of 6 years of the contracts under Art. 22 of the law 30th December 2010, no. 240 as amended (Research assistant contracts) including renewals and contracts between different universities/bodies, as well as the duration of the contract of the present call (the period of a Research assistant contract during a PhD study place with grant does not count within the regular study period);

- i) to have taken note of the provisions cited in the present call;
  - j) the content of the digital copies of all documents produced correspond to the content of the copies produced on paper;
  - k) the employment by a public administration according to letter b) of Art. 4 of the present;
  - l) not having family or kinship relation, up to the fourth degree, with a professor of the Department making the proposal of the activation of the contract, with the Rector, the Director or with a member of the University Council;
  - m) the declaration concerning the fulfillment of military duties (that declaration must be made only by male candidates);
  - n) that everything in the curriculum vitae (CV) that has been attached to this application is true and s/he gives the person in charge of the selection procedure the permission to undertake any checks on any substitute declarations that have been presented by the undersigned for the purposes of this selection procedure;
  - o) to give the permission for the use of personal details that s/he has supplied to be processed as per Italian legislative decree 196/2003 for any procedures that are connected to this selection procedure and any contracts that may be drawn up as a consequence;
  - p) the address chosen for the receipt of communications relating to the selection procedure she/he has applied for (address with postcode, telephone number, possible e-mail-address or fax number) and the commitment to inform the University in case of possible subsequent variations of those data.
- 5) Candidates with recognized disabilities must expressly specify in their application any aid needed in relation to their handicap and the possible necessity of further time for the performance of the exams, according to art. 20 of the law 5th February 1992, no. 104.
- 6) Any variation of the candidate's data according to paragraph 4 of the present article must be immediately communicated in writing to this Administration.
- 7) The University accepts no responsibility for cases in which candidates are untraceable or when the communications are undeliverable due to imprecise indication of the address, or belated or lack of notification on the part of the candidate regarding a change of the address declared in the application. The University also disclaims liability for mail going astray, whether third parties are to blame, or whether it is attributable to mishaps, or to *force majeure* and which, in any case, is in no wise ascribable to the University. It accepts no blame when the return delivery slip indicating receipt of the application, of documents or of communications relating to the selection procedures fails to arrive. If the candidate's address differs from that of her/his place of residence, again the University is exempt from responsibility should a registered letter with notification of receipt arriving at the place which the candidate had specified as his address during the period of selection, fail to reach her/him.

## **Art. 6**

### *Presentation of qualifications*

- 1) Considered that, in accordance to the present call, by 'qualifications' are intended those scientific, didactic and artistic ones and the publications, and for 'certificates' any document proving the possession of a certain qualification, the candidate must enclose at the application for participation in the selection procedure in unstamped paper:
- a) 1 copy of a valid identity document and the fiscal code;
  - b) 1 photocopy of the curriculum vitae regarding the didactic and scientific activity and drawn up according to the model of attachment 'C';
  - c) didactic and scientific qualifications believed useful for the comparative assessment;
  - d) 1 photocopy of the list of the publications believed useful for the comparative assessment and drawn up in accordance with article 7 paragraph 3 of this call;
  - e) 1 photocopy of the list of all documents enclosed at the application [generic list of those materially inserted in the envelope, or the documents required by letters a), b), c) and d) of the present paragraph].
- 2) The qualifications indicated in paragraph 1, letter c), of the present article, if issued by Italian Public

Administration, must be produced in one of the following forms:

- a) in copy corresponding to the original as certified by substitutive declaration of the deed of notoriety according to art. 47 of the D.P.R. 28th December 2000, no. 445. In that case the candidate must produce:
  - 1 copy of each qualification;
  - 1 declaration drawn up according to the model of attachment 'B', signed and dated at the last page, where the candidate, under own responsibility, declares that the copies of the enclosed qualifications, exactly described, and in particular with regard to the date of attainment, place and Administration issuing the qualification, correspond to the original. That declaration at the same time serves as list of the qualifications, in which case the latter ones do not have to be produced;
  - 1 copy of an identity document;
- b) in form of a self-declaration according to the model of attachment 'B' (substitutive declaration of certification according to art. 46 of the D.P.R. 28th December 2000, no. 445), where the candidate, under own responsibility, declares to possess the qualifications, exactly described, in particular with regard to the date of issue, place and Administration issuing the qualification. In that case the candidate must produce:
  - 1 copy of the attachment 'B', signed and dated at the last page, which at the same time serves as list of the qualifications, in which case the latter ones must not be produced;
  - 1 copy of an identity document.

**The University cannot request nor accept certificates issued by other Italian public offices. If the above-mentioned certificates should be enclosed at the application for participation in the selection procedure, they will not be considered by the Commission of selection.**

The qualifications issued by private corporation or abroad can be produced in one of the following forms:

- a) in original;
- b) in certified copy;
- c) in copy corresponding to the original as certified by substitutive declaration of the deed of notoriety or in form of a self-declaration according to the above-mentioned model of attachment 'B'.

The above mentioned declarations drawn up according to the model of attachment 'B' may be used by Italian citizens and also by citizens of the EU.

The declarations according to the above-mentioned articles of the D.P.R. 28th December 2000, no. 445, may be used by non-EU citizens, if it is necessary to proof conditions, facts and personal qualities certifiable or attestable by public or private Italian bodies or bodies of the EU, without prejudice of special provisions in laws and regulations concerning immigration matters and the condition of foreigners. If the declarations according to the above-mentioned articles of the D.P.R. 28th December 2000, no. 445 are used in other cases than the above mentioned, the winner of the procedure has to submit, before the employment, the certificates as per paragraph 7.

- 3) The curricula and the lists mentioned in letters d) and e) of paragraph 1 of the present article must be signed and dated in the last page.
- 4) No qualification sent to this Administration will be returned.
- 5) The sending of the publications does not enable to correct the missed or late submission or mailing of the application for participation in the selection.
- 6) Without prejudice to the exceptions expressly provided by law, the above-mentioned attachment 'B' may further be used by the candidate to declare standings, facts and personal qualities of her/his direct knowledge, not expressly indicated in art. 46 of the D.P.R. 28th December 2000, no. 445.
- 7) With regard to non-EU citizens, the certificates issued by the competent Authorities of the country the person belongs to, must be in accordance with the provisions in force in those countries and must also be legalized by the competent Italian consular authorities.
- 8) With regard to conditions, facts and personal qualities self-certificated by the candidates for the present

selection procedures the University has the possibility to exercise appropriate checks, also random ones, regarding their truthfulness.

In case of mendacious declaration the candidate, further than being excluded from the selection procedure, will be denounced according to the Criminal Code and the special laws regarding the matter, according to the provisions cited in art. 76 of the D.P.R. 28th December 2000, no. 445.

- 9) The qualifications may be produced in their original language if it is one of the following: Italian, French, English, German and Spanish.

It is in the authority of the Commission of selection to request the candidates integrations of the qualifications submitted in French, English, German or Spanish language, by forwarding the correspondent translation in Italian.

The translation in Italian language must be accompanied by a substitutive declaration of the deed of notoriety where the candidate, according to art. 47 of the D.P.R. 28th December 2000, no. 445, certifies the conformity of the translated text with the original (see attachment 'B').

- 10) Any certificate or diploma drawn up in a language different than Italian, French, English, German and Spanish, submitted by Italian, EU or non-EU citizens, must be enclosed, according to paragraph 3 of Art. 33 of the D.P.R. 28th December 2000, no. 445, the correspondent Italian translation, which is certified conform to the original text by the competent diplomatic or consular representation or by a official translator. The certificates or diplomas drawn up in a different language than those above mentioned, in case of lacking translation, will not be assessed by the Commission of selection.

#### **Art. 7**

##### *Sending of the publications*

- 1) The sending of the application for participation must be enclosed by the forwarding of the publications.
- 2) Publications will only be evaluated when they can be traced in public catalogues as publications.
- 3) Together with the publications, there must be enclosed a correspondent list, signed and dated at the last page. The Publications must be mentioned in chronological order within each category following the International Standard for bibliographic references with DOI whenever possible. With multiple authorship, if one is the main author, that author's name appears in *Italics*. In addition, in the left-hand margin please star (\*) what you consider were especially significant publications. Where relevant, citation index and impact of journal.
- 4) Publications handed in or sent after the final term as indicated in paragraph 1 of the present article cannot be considered by the Commission of selection.
- 5) For the present selection procedure are considered assessable the print extracts and the works which, at the moment of the deadline of the call, have been subject to legal deposit according to the provisions of the law 15th April 2004, no. 106, put into effect with D.P.R. 3rd May 2006, no. 252.
- 6) The publications, with 1 copy of the correspondent list attached, may be sent:
  - a) in original;
  - b) in certified copy;
  - c) in photocopy. In that case a substitutive declaration of the deed of notoriety (to be drawn up according to the model of attachment 'B' and signed at the last page, with the production of a photocopy of an ID) must be attached, where the candidate, according to art. 47 of the D.P.R. 28th December 2000, no. 445, certifies the conformity of those produced with the original and indicates the author, the title of the work, the place and date of publication and the number of the work.
- 7) In case the candidate produces copies declared conform to the originals according to paragraph 7, letter c), of the present article:
  - a) for works printed in Italy it is also necessary to attest the date of deposit of the printing according to the law 15th April 2004, no. 106, put into effect with D.P.R. 3rd May 2006, no. 252;

b) for works printed abroad the date and place of publication must be indicated.

- 8) The publications may be produced in their original language if it is one of the following: Italian, French, English, German and Spanish.

It is in the authority of the Commission of selection to request the candidates integrations of the publications submitted in French, English, German or Spanish language, by forwarding the correspondent translation in Italian.

The translated texts must be produced in typewritten copies with the text printed in the original language and must be accompanied by a substitutive declaration of the deed of notoriety where the candidate, according to art. 47 of the D.P.R. 28th December 2000, no. 445, certifies the conformity of the translated text with the original (see attachment 'B').

- 9) The publications whose original language is different than Italian, French, English, German and Spanish must be translated in one of the above-mentioned languages.

It is in the authority of the Commission of selection to request the candidates integrations of the translations submitted in another language than Italian, by forwarding of a translation in Italian of the text already translated.

The translated texts must be produced in typewritten copies with the text printed in the original language and must be accompanied by a substitutive declaration of the deed of notoriety where the candidate, according to art. 47 of the D.P.R. 28th December 2000, no. 445, certifies the conformity of the translated text with the original (see attachment 'B').

- 10) For selection procedures concerning linguistic matters publications may be produced in the language or languages the selection procedure relates, even if different of those indicated in paragraph 9 of the present article.

- 11) The publication must be produced in any case, even in case they have already been submitted by this or other Administrations for participation at other selection procedures.

- 12) The missed sending of the publications within the provided date is not considered as renunciation of participating in the selection procedure. Nevertheless, the Commission of selection assesses the candidate only on the basis of the curricula and can therefore not assess the scientific works even if they are personally known by its members.

The Commission of selection does not take into consideration publications not conforming to the required format or in different edition as those indicated in the application for participation in the selection procedure.

- 13) No scientific work sent to this Administration will be returned. Nevertheless, the candidates may require its possess, except in case of pending controversy and according to the provision of the subsequent article 22, by going, personally or on behalf of a delegate, to the Personnel Office Academic Staff within the term of six months starting from the date of the Rectoral decree of confirmation of the regularity of the records. After this term has passed it is in the power of the University to dispose freely of the material not withdrawn.

## **Art. 8**

### *Exclusion from participation at the selection procedure*

- 1) The candidates are admitted conditionally at the selection procedures. Therefore exclusion through failing to meet the prescribed requirements is provided for with due decree of the Rector of the University at whatever stage of the procedure.

- 2) In particular, are excluded those:

a) presenting an application which is not signed;

b) presenting applications which, for any reasons, are not sent by post or consigned by the final deadline indicated in art. 5, paragraph 1 of the present call.

## **Art. 9**

### *Renunciation of participation*

- 1) The renunciation of participation at the selection procedure (to be drawn up according to the model of attachment 'C') must be sent by fax to the President of the Commission of selection (fax number: +39 +39 0471 017009) and, for information, to the person in charge of the procedure.  
Renunciations preceding the formation of the Commission of selection must be subsequently sent to the person in charge of the procedure (fax number: +39 0471 011309).
- 2) Renunciation takes effect from the Commission's first meeting following the date of its receipt.
- 3) The absence of the candidate at the interview is considered implied renunciation to the selection procedure.

## **Art. 10**

### *Commission of Selection*

- 1) The assessment is to be carried out by a Commission of selection, to be constituted of three members belonging to university staff from Italy or abroad.  
The members of the Commission of selection must be active in the relevant research area or in the disciplinary area the research project or the research activity refers.
- 2) The members of the Commissions of selection are appointed by the Department requesting the selection procedure.
- 3) The Commission of selection is appointed by special provision to be published also on the University's web page.
- 4) The Commission of selection remains in charge for six months and may be renewed only once and for not more than four months.  
In case the work has not been completed within the extended period, the Rector, with due provision, will start procedure for the replacement of the Commission or the members responsible for the delay, establishing at the same time a new term for the conclusion of the work.
- 5) In case of selection procedures based on only qualifications the Commission of selection, for carrying out its meetings, may make use of telematics tools for collective work, on condition that all documentation submitted for the selection procedure is available in digital form.

## **Art. 11**

### *Selection of the candidates*

- 1) The comparative assessment is based on qualifications and, if provided by the call, examination/s.
- 2) The interview, if provided, may be performed also by videoconference.
- 3) In case one or more examinations are provided, the dates will be notified to the candidates not less than 10 days before taking place, with indication of the time and place they are being held.  
To sit the examination/s, the candidate must be equipped, with the exclusion of others, of one of the following currently valid documents of recognition provided in art. 35, paragraph 2 of the D.P.R. 28th December 2000, no. 445: identity card, passport, driving licence, railway record-book, postal card, firearms licence. The mentioned documents must contain a recent photograph of the candidate and her/his signature be authenticated by a mayor or a public notary.
- 4) At the end of its work, the Commission of selection, on the basis of the scores assigned for the qualifications, publications and the examinations, if provided, compiles the merit ranking of the suitable candidates. Minority positions should be recorded, indicating, in relation to the number of research assistant contracts to confer, the candidates which the research contracts are conferred.

## **Art. 12**

### *Publicity and transparency of the selection procedure*

- 1) The Commission of selection gives communication of the record containing the final merit ranking to the person in charge of the procedure for the subsequent measures.
- 2) In case procedural errors are discovered, the records are returned with due provision to the Commission of selection for regularization within the term indicated in the provision.
- 3) The results of the assessment will be published also on the University's web page.

### **Art. 13**

#### *Validity of the ranking according to merits*

- 1) The merit ranking lasts up to 14 months before the conclusion of the research project.
- 2) In case of withdrawal from the contract, the same will be conferred to the next suitable candidate in the concerned ranking list.

### **Art. 14**

#### *Formalization of the relationship*

- 1) The University stipulates with the first candidate in the merit ranking a contract, regulating the forms and modalities of the collaboration activity and the allotment of the research assistant contract.
- 2) The contract may be renewed within the maximum term of 3 months after its expiry.
- 3) The research assistant contracts are in no way considered a dependent employment relationship and do not confer rights for access to the University staff.
- 4) The winner of the present selection procedure must fulfill the duties provided by the University regulation for the conferral of research assistant contracts.

A copy of the regulation is delivered to the holder of the research assistant contract at the stipulation of the contract.

- 5) The research activity the winner has to complete must have the following features:
  - a) temporally defined;
  - b) connected with the fulfillment of a research program or a stage of it;
  - c) autonomous performance, under the direction of the scientific responsible, of the program, without predetermination of working hours.

### **Art. 15**

#### *Suspension of the research*

- 1) The payment of the remuneration of the research assistant contract is suspended during the periods of absence for pregnancy, documented sickness, military service. In these cases, the duration of the relationship will be extended for the remaining period for the realization of the research project, starting from the date of cessation of the cause of suspension.

### **Art. 16**

#### *Rights and duties of the assistant researchers*

- 1) The holder of the research assistant contract undertakes research activities provided by the research programs adopted by the related Department. He/she may collaborate with students in research activities relating to his/her degree thesis, participate at examination commissions and perform formal and informal didactic exercises.
- 2) The holder of the research assistant contracts may participate at groups and at research projects of the University/the Departments. The performance of those research activities does not confer a right of payment of a separate compensation.
- 3) The holder of the research assistant contract may be allowed a limited teacher-centered didactic activity (lessons, exercises, laboratories) for a maximum of 60 hours per academic year, provided that this

activity does not interfere with the research activities. The hours of teacher-centered didactic are separately remunerated according to the "Regolamento tariffario per i docenti a contratto, i supervisori e responsabili di tirocinio e i collaboratori linguistic" in force.

Teacher-centered didactic activity may be decided by the Department, upon consent of the research assistant contract holder and upon authorization of the person responsible of the research project.

- 4) The research assistant contract holder, in order to carry out the research activity, may use the facilities of the Department he/she belongs and make use of the services available to the researchers according to the regulations in force.
- 5) The research activity is performed at the Faculty concerned or elsewhere, if expressly authorized by the person responsible for the scientific activity the research assistant contract holder belongs. If the research assistant contract holder authorized to perform research activity externally must undertake duties in connection with the research, he/she has the right of refund of expenses according to the rules and conditions set out by the "Regulation concerning service missions of teaching and research staff".

#### **Art. 17**

##### *Person Responsible of the research activities of the research assistant contract holder and entrusted tasks*

- 1) The Department the research assistant contract holder belongs nominates a professor or researcher or a fixed-time researcher as scientific responsible for the research activities, guiding and directing the research activities undertaken by the research assistant contract holder.
- 2) The person responsible of the research project must collect and assess the concise and the final relation. He/she further must report to the Responsible of the Department and to the Personnel Office Academic Staff the defaults of the contract holder, also in relation to possible suspensions of payments, except in case of grave default constituting cause of resolution by law of the contract.
- 3) The Department the research assistant contract holder belongs, at the conferral of the research contract and periodically, determines, on proposal of the scientific responsible and after having heard the interested person, the research programs and his/her relevant tasks.

#### **Art. 18**

##### *Control modalities, assessment of the activity performed by the research assistant contract holders and causes of resolution of the contract*

- 1) The holder of the research assistant contract must annually present a short paper about the research activity performed and the results attained, which, with the assessment of the person responsible of the research project attached, is sent to the presidency of the Department concerned.
- 2) The research assistant contract holder must also produce a detailed final relation explaining the performed activity and the results attained, which, with the assessment of the responsible of the project, is submitted, within 45 days preceding the end of the contract, to the presidency of the Department concerned.
- 3) The non-presentation of the reports within the provided terms causes the suspension of payment of the following installments.
- 4) In case the research assistant contract holder, after having started the research activity, does not continue it, regularly and continually, for the whole duration of the research assistant contract without justified reason or is responsible for grave and repeated misdemeanor, the procedure for resolution of the contract will be started.
- 5) The contract will be terminated in the cases provided by paragraph 6 with deliberation of the concerned Department.
- 6) The contract will be terminated in the following cases:
  - grave and proven misdemeanor of the research assistant contract holder, reported by the person responsible of the research project or by the responsible of the concerned Department;

- unjustified missed beginning or unjustified delay of the activity;
- unjustified suspension of the research activity for a period which is prejudicial to the research program;
- grave violation of the incompatibility rules provided by the present Regulation.

#### **Art. 19**

##### *Loss and withdrawal*

- 1) Those not initiating the activity within the indicated terms lose the right for the research assistant contract.
- 2) Only delays due to grave health reasons or to *force majeure* duly proved are justified and admitted.
- 3) The holder of the research assistant contract may withdraw from the contract by observing a 30 (thirty) day notice. In case of written consent by the person responsible of the research project, the notice may not be considered.
- 4) Possible postponements of the date of beginning of the period of enjoyment of the research assistant contract may be awarded to winners proving to have to fulfill the military duties and to working mothers (legislative decree. no. 151/2001).

#### **Art. 20**

##### *Attendance of research doctorate courses*

- 1) The holder of the research assistant contract may attend research doctorate courses without scholarships even in supernumerary, without prejudice of getting through the admission tests.
- 2) The University Council, before the beginning of the academic year, after having heard the departments, determines, for each doctorate course, the maximum number of research assistant contract holders admitted to attend doctorate courses in supernumerary.

#### **Art. 21**

##### *Economic and fiscal treatment, social security*

- 1) The amount of the remuneration is determined by the University Council, in respect of the minimum limits determined with Ministerial Decree.
- 2) The remuneration is paid in monthly installments. The monthly gross amount is determined by dividing the annual gross remuneration with the number of months of the contract's duration plus one.
- 3) Mission expenses will be taken from the fund of the person responsible of the research project.
- 4) The research assistant contract for collaboration at research activities under the present call is free of income tax. In relation to fiscal matters the provisions of Art. 4 of the law 13th August 1984, no. 476 with subsequent modifications and integrations are applied.
- 5) The University provides for the insurance covering in relation to risks of accidents at work and civil responsibility, applying the fiscal and social security disciplines provided by Art. 22, paragraph 6, of the law no. 240/2010.

#### **Art. 22**

##### *Return of publications*

- 1) Candidates declared not eligible may withdraw, at their own expense, the publications submitted to this University within six months from the date of the Rector's decree of confirmation of the regularity of records. Once the term has passed the University keeps the material for its own necessities, disclaiming liability towards the candidates.

#### **Art. 23**

##### *Protection of personal data*

- 1) For information about the use of personal data, we refer to the data protection code in compliance with art. 13 of Legislative Decree no. 196/2003, attached to the present call.

## **Art. 24**
