

The Faculty of Economics and Management of the Free University of Bozen-Bolzano seeks to appoint a

**Full or Associate Professor
in Economics
(13/A1 - SECS-P/01)
Bolzano Campus**

Profile

The candidate should hold a PhD in Economics or an equivalent qualification, an excellent record of international scientific publications and an excellent record of teaching. All fields of Economics will be considered.

Position

The position offered is at the Full or Associate Professor Level in Economics (Professore Ordinario o Associato SECS-P/01 in the Italian system).

This is a tenured full-time position with a teaching load of 120 hours/year.

The salary is competitive with top European universities and, depending on individual circumstances, may be eligible for fiscal advantages.

Envisaged appointment date: March 2020

For more information, please contact Prof. Alexander Moradi – alexander.moradi@unibz.it. For general information about the position, terms and conditions of working at the Faculty of Economics and Management, please contact the Dean Prof. Oswin Maurer – oswin.maurer@unibz.it.

Requirements

According to Italian legislation, only applicants who do **hold an equivalent academic position (Full or Associate Professor) at their current foreign university are qualifying for a “direct call from abroad”**. Any application not satisfying this requirement cannot be accepted. The Faculty is particularly interested in applicants who will substantially contribute to its strong cross-disciplinary international research, as well as to its multilingual teaching culture.

Furthermore, applicants need to meet the following requirements:

- a) a record of excellence in scholarship at the international level, demonstrated by publications in leading international journals;
- b) evidence of high-quality teaching and mentoring;
- c) a significant level of service to the department, the university, and the profession;
- d) knowledge of at least two of the three official teaching languages at the Faculty of Economics and Management (German, Italian, English).

The Free University of Bozen-Bolzano aims to increase the proportion of women in research and teaching and therefore specifically encourages female scientists to submit their expression of interest.

About the Faculty

The Faculty of Economics and Management was founded in 1998. It now has more than 1200 students and 50 faculty members. Research, learning and teaching is performed in three languages: German, Italian and English. Through academic excellence in research and teaching, the Faculty contributes to the development of the South-Tyrolean economy while being entirely connected to international scientific networks.

Research in the faculty has been ranked no 2 in the Research Quality Evaluation in Italy in 2017, and the university is ranked among the Top-10 small list of universities worldwide by THE (Times Higher Education).
